1990 Town Report

"LONDONDERRY CITIZEN OF THE YEAR"
1990
NED REYNOLDS

Ned Reynolds celebrated his 90th birthday on January 18, 1990. That year he was awarded the title of "Citizen Of The Year" by the Londonderry Chamber of Commerce. To show honor to him, he led the Olde Home Days Parade in August of 1990, proudly riding in his Father's Piano Box Buggy which was made in Pontiac, Michigan. Ned tells of his ride to Londonderry from his birthplace in Derry Village, using the buggy to court Helen Annis just as his father had once done when courting his mother. He married Helen in 1923 and has resided ever since at the family's farm on Litchfield Road. His sense of humor without a doubt is a well known characteristic of his wonderful personality. Ned refers to himself not as a Senior Citizen , but as an "Antique Human".

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of Londonderry in the County of Rockingham in said State qualified to vote in Town Affairs:

Voters are hereby notified to meet at the Matthew Thornton School in Londonderry on Tuesday the twelfth day of March next at seven o'clock in the forenoon to choose all necessary Town Officers for the ensuing year, by official ballot, to act upon the articles required to be voted upon by official ballot Zoning Articles 101 through 119, the polls to be open at seven o'clock in the forenoon and to close not earlier than eight o'clock in the evening.

Voters are further notified to meet at the Londonderry High School Gymnasium on Friday, March 15, 1991 at seven o'clock in the afternoon to act upon other articles and all other matters to come before the meeting.

ARTICLE NO. 1

To Choose all necessary Town Officers for the ensuing year, or until another is chosen or appointed and qualified.

ARTICLE NO. 2

To see if the Town will vote to raise and appropriate the sum of five million dollars ($5,000,000) to undertake compliance of the Environmental Protection Agency's (EPA) Record of Decision September 29, 1989, ordering the Town to construct a cap over four waste disposal areas of the Auburn Road Landfill Site and attendant expenses, i.e. legal, engineering, or anything related thereto.

Said sum is to be raised by the issuance of serial bonds or notes not to exceed five million dollars ($5,000,000) under and in compliance with the provisions of the Municipal Finance Act (NH Revised Statutes Annotated, Chapter 33) and to

authorize the Selectmen to issue and negotiate such bonds or notes, to determine the rate of interest thereon and to take such other actions as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and to authorize the Selectmen to accept and expend any funds from the State of New Hampshire, the Federal Government, or private sources, as may become available for said acquisition and to pass any vote relating thereto.

(This Article, if passed, will have a tax impact of $ .30 per thousand for fiscal year 1991-92)

ARTICLE NO. 3

To see if the Town will vote to raise and appropriate the sum of three hundred thousand dollars ($300,000) to be used to study the feasibility of alternate uses of the Auburn Road Landfill Site and to enable the Alternative Use Study Committee to present a proposed use for this site to the Board of Selectmen. Any alternative use other than as permitted under current zoning shall be presented to a subsequent or special Town Meeting.

Said sum is to be raised by the issuance of serial bonds or notes not to exceed three hundred thousand dollars ($300,000) under and in compliance with the provisions of the Municipal Finance Act (NH Revised Statutes Annotated, Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes, to determine the rate of interest thereon and to take such other actions as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and to authorize the Selectmen to accept and expend any funds from the State of New Hampshire, the Federal Government, or private sources, as may become available for said acquisition and to pass any vote relating thereto.

(This article, if passed, will have a tax impact of $ .02 per thousand for fiscal year 1991-92)

ARTICLE NO. 4

To see if the Town will vote to raise and appropriate the sum of seven hundred sixty-five thousand dollars ($765,000) for the acquisition of rights to additional reserve capacity of one million (1,000,000) gallons per day to discharge to the City of Manchester Wastewater Treatment Facility.

Said sum is to be raised by the issuance of serial bonds or notes not to exceed seven hundred sixty-five thousand dollars ($765,000) under and in compliance with the provisions of the Municipal Finance Act (NH Revised Statutes Annotated, Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes, to determine the rate of interest thereon and to take such other actions as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and to authorize the Selectmen to accept and expend any funds from the State of New Hampshire, the Federal Government, or private sources, as may become available for said acquisition and to pass any vote relating thereto.

(This article, if passed, will have a tax impact of $ .04 per thousand for fiscal year 1991-92)

ARTICLE NO. 5 By Petition of Remi W. Fortin, et al

To see if the Town will vote to amend Article 5, 1989 Town Meeting (March 17, 1989) as needed <u>by removing that portion of the Article which is underlined.</u>

"To see if the Town will vote to raise and appropriate the sum of two hundred twenty-five thousand dollars ($225,000) for the construction of approximately eighteen hundred feet (1,800') of sanitary sewer along Mammoth Road, north of Grenier Field Road.

Said sum to be raised by the issuance of Serial Bonds or Notes not to exceed two hundred twenty-five thousand dollars ($225,000) under and in compliance with the Municipal finance Act (NH Revised Statutes Annotated, Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes to determine the rate of interest therein and to take such other actions as necessary to affect the issuance,

negotiations, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Londonderry and to authorize the Selectmen to accept and expend any funds from the State of New Hampshire, the Federal Government, or private sources, as may become available and to pass any vote relating thereto.

To insure that bonds are not sold and the sewer is not constructed unless private landowners are about to construct at least 20,000 square feet of office space, the landowners will be required to post a one hundred thousand dollar ($100,000) Irrevocable Letter of Credit to cover sewer debt service costs until such time as substantial construction of such office space takes place."

(This Article, if passed, will have a tax impact of $ .01 per thousand in fiscal year 1991-92)

ARTICLE NO. 6

To see if the Town will vote to raise and appropriate the sum of three hundred seventy-eight thousand dollars ($378,000) for wages and benefits from July 1, 1989 through June 30, 1991, and the sum of two hundred eighteen thousand ($218,000) for wages and benefits for the fiscal year 1991-92, such wage and benefit increases are recommended by the Fact Finder's Report, dated March 30, 1990 regarding AFSME 3657, Londonderry Police Union.

(This Article, if passed, will have a tax impact of $ .95 per thousand for fiscal year 1991-92)

ARTICLE NO. 7

To raise such sums of money and make appropriations of the same as may be necessary to defray Town charges for the ensuing fiscal year July 1, 1991 through June 20, 1992.

ARTICLE NO. 8

To see if the Town will vote to raise and appropriate the sum of twenty three thousand six hundred fifty-eight dollars ($23,658) and authorize the Board of Selectmen to retain the position of Deputy Tax Collector in the FY-92 Budget and provide benefits and pay adjustments provided other employees.

(This Article, if passed, will have a tax impact of $ .04 per thousand for fiscal year 1991-92)

ARTICLE NO. 9

To see if the Town will vote to raise and appropriate from taxation the sum of seventy-five hundred dollars ($7,500) to assist the Londonderry Industrial Ad-Hoc Committee in the development of a campaign to promote industrial growth within the Town and undertake any action relative thereto.

(This Article, if passed, will have a tax impact of $ .01 per thousand in fiscal year 1991-92)

ARTICLE NO. 10 By Petition of Harry E. Wilson, et at

To see if the Town will vote to raise and appropriate the sum of one hundred fifty thousand dollars ($150,000) for the installation and design of traffic signals at the intersection of NH Route 128 and Pillsbury Road; and authorize the Board of Selectmen to accept and expend any funds from the State of New Hampshire, or private sources, as may become available for said installation and design.

(This Article, if passed, will have a tax impact of $ .24 per thousand for fiscal year 1991-92)

ARTICLE NO. 11 By Petition of Wesley M. Beebe, et al

To see if the Town will raise and appropriate thirty-four thousand five hundred forty-five dollars ($34,545) to be used to finance the position in the Londonderry Finance Department that is proposed for elimination in the 1991-92 proposed budget. The position being: Town Accountant.

(This Article, if passed, will have a tax impact of $ .06 per thousand for fiscal year 1991-92)

ARTICLE NO. 12 By Petition of Wesley M. Beebe, et al

To see if the Town will raise and appropriate seventeen thousand four hundred twenty-nine dollars ($17,429) to be used to finance the position in the Assessor Department that is proposed for elimination in the 1991-92 proposed budget. The position being: Full Time Clerk Typist.

(This Article, if passed, will have a tax impact of $ .03 per thousand for fiscal year 1991/92)

ARTICLE NO. 13 By Petition of Wesley M. Beebe, et al

To see if the Town will raise and appropriate one hundred twenty-five thousand five hundred ninety-two dollars ($125,592) to be used to finance the three (3) positions in the Londonderry Highway Department that are proposed for elimination in the 1991-92 budget. The three positions being: The Highway Superintendent and two (2) Truck Drivers.

(This Article, if passed, will have a tax impact of $ .20 per thousand for fiscal year 1991-92)

ARTICLE NO. 14 By Petition of Wesley M. Beebe, et al

To see if the Town will raise and appropriate fifty-three thousand six hundred four dollars ($53,604) to be used to finance the position in the Londonderry Police Department that is proposed for elimination in the 1991-92 proposed budget. The position being: The Captain.

(This Article, if passed, will have a tax impact of $ .09 per thousand for fiscal year 1991-92)

ARTICLE NO. 15 By Petition of Wesley M. Beebe, et al

To see if the Town will raise one hundred fifty-six thousand two hundred fifty-nine dollars ($156,259) to be used to finance the three (3) positions in the Londonderry Police Department that are proposed for elimination in the 1991-92 proposed budget. The positions being: The Safety Officer, The Vehicle Technician, and the Telecommunication Supervisor.

(This Article, if passed, will have a tax impact of $ .25 per thousand for fiscal year 1991-92)

ARTICLE NO. 16 By Petition of Nancy Proulx, et al

To See if the Town will raise twenty-nine thousand eleven dollars ($29,011) to be used to finance the position in the Londonderry Town Clerk's Office that is proposed for elimination in the 1991-92 proposed budged. The position being: The Clerk Assistant.

(This Article, if passed, will have a tax impact of $ .05 per thousand for fiscal year 1991-92)

ARTICLE NO. 17 By Petition of Richard G. Higgins, et al

To see if the Town will vote to raise and appropriate the sum of ten thousand dollars ($10,000) to be used for the restoration of the Town of Londonderry "Morrison House Museum" on West Pillsbury Road. Said funds, if appropriated will be expended on: 1) restoration of the central fireplace, 2) installation of a heating and plumbing system, 3) electrical wiring and security. The Town is authorized to accept and expend money from any other governmental unit or private sources, to be used for the purpose of the restoration project of the Museum.

(This Article, if passed, will have an impact of $ .02 per thousand for fiscal year 1991-92)

ARTICLE NO. 18 By Petition of Perry P. Craver Jr., et al

To see if the Town will vote to forgive the property taxes on Map 15, Parcel 22-1, Lot 022-001, 217 Rockingham Road, for each year the Children's Metamorphosis shall own or lease the property. This exemption applies to each complete year corresponding to the Town's fiscal year of 1 July to 30 June. The Children's Metamorphosis (The MET) is a non-profit children's museum located at 217 Rockingham road (Route 28) and is scheduled to open in early 1991. Current assessment is eighty-eight thousand three hundred dollars ($88,300) and taxes for 1990 are four thousand two hundred twenty-six dollars ($4,226).

(This Article, if passed, will have a tax impact of $ .01 per thousand for fiscal year 1991-92)

ARTICLE NO. 19 By Petition of Jack Shuler, et al

To see if the Town will rescind and repeal action taken by the Town on Warrant Article 10 at the annual meeting for 1989, held on March 17, 1989, regarding the appropriation of five million dollars ($5,000,000) for the construction of the proposed Interstate 93 Exit 4-A Interchange Project.

ARTICLE NO. 20 By Petition of Harry L. Hegg, III, et al

Shall the Town vote to raise and appropriate a sum of money to provide for a zero tax increase in fiscal year 1991-92. Said sum of money shall include the appropriation of all warrant articles voted upon and approved at Town Meeting that impact on the operations and maintenance costs of the Town.

ARTICLE NO. 21

To see if the Town will vote to rescind its affirmative vote on the last sentence of Article 16, Section IX of the March 1977 Town Meeting whereby the Town voted that the Dog Officer shall be appointed as a Special Policeman.

ARTICLE NO. 22

To see if the Town will vote to form a Study Committee to examine the need for a Code Of Conduct for municipal officers, appointed or elected officials and employees. Such committee to be appointed by the Selectmen and to be comprised of: One member from the Board of Selectmen; one member from the Town's Land Use Boards; one Town employee; and four members of the general public with the Chairman being a member of the public.

ARTICLE NO. 23 By Petition of Joseph L. Nicolosi, et al

A) To see if the voters at the Annual Town Meeting will vote to have published any and all future expenditures which will have an impact on the tax base for one year or less, and to have that tax impact figure as well as the difference between it and the previous year tax impact of the same item (if applicable) published, along with the other legal notices for that voting period, prior to any voting on that expenditure.

B) To see if the voters at the Annual Town Meeting will vote to have published any and all future expenditures which will have an impact on the tax base for more than one year, and to have the tax impact calculated out for a minimum of three years (if applicable) and those figures along with any other information pertaining to variable rates, balloon payments or any other types of creative financing shall be published along with any other legal notices pertaining to that voting period, prior to any voting on that expenditure.

ARTICLE NO. 24 By Petition of Sherry Vaughan, et al

To see if the Town will authorize the Board of Selectmen to set up a Committee for Youth. Such committee would consist of representatives from various groups and areas of Town. The committee will evaluate the current services and activities for the Youth of Londonderry and consider what future services might be provided. The committee will report its findings to the Board of Selectmen for presentation at the 1992 Town Meeting.

ARTICLE NO. 25

To see if the Town will vote to adopt an ordinance to clarify the use of Firearms and the application of RSA 644:13 and case law Cote v Company, 86 NH 238, 166 A-279. The following defines the meaning of "compact part" of the Town of Londonderry:

I. A section that falls within three hundred feet (300') of a common gathering, or recreational area used for purposes other than hunting. Such common gathering or recreational areas shall include, by way of example, the following:

A. Churches
B. Public Schools
C. Private Schools
D. Parochial, Religious or Church Schools
E. Pre-School Centers, Day-Care Centers and Kindergartens
F. Town Common
G. Athletic Fields
H. Golf Courses
I. Lions Hall
J. Londonderry Grange
K. Senior Citizen's Center
L. Meeting Houses
M. Municipal Buildings
N. Cemeteries
O. Baseball Fields

P. Playgrounds
Q. Military Related Service Buildings
R. Nursing Homes
S. Ambulatory Centers
T. Locations where Civic Groups meet.

II. A section that falls within three hundred feet (300') of a high density residential area. "High density residential area" shall mean:

A. An area that has more than one residential dwelling per acre.
B. A mobile home park
C. An apartment building

III. A section that falls within three hundred feet (300') of a high density commercial area. A "high density commercial area" shall mean an area that has one or more of the following:

A. Office Buildings
B. Shopping Centers
C. Professional Buildings
D. Medical Parks
E. Similar Buildings devoted to public commerce, trade or service.

IV. A section that falls within one thousand feet (1,000') of land or buildings containing any of the following:

A. High Explosives
B. Inflammatory Materials
C. Chemicals or Substances which would be dangerous if struck by a bullet or firearm projectile.

ARTICLE NO. 26

To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devices made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE NO. 27

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, and pursuant to NH Revised Statutes Annotated, Section 33:7 and Section 33:7-a to incur debt for temporary loans in anticipation of 1991-92 taxes, and

in anticipation of any bond issue which may be voted by the Town, and to issue, therefore, notes of the town payable within one (1) year after their date, and to pay or renew the same by issue of new notes payable within one (1) year after the date of the original publication.

ARTICLE NO. 28

To see if the Town will vote to authorize the Selectmen to sell at public auction or by advertised bid and to convey any real estate acquired through deeds from the Collector of Taxes, or as reimbursement for assistance furnished by citizens, providing that in the case of tax deeded real estate, the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same, for back taxes and interest due before public auction, and pass any vote relating thereto.

ARTICLE NO. 29

To see if the Town will vote to authorize the Board of Selectmen to apply for, receive, accept and expend (without further action of the Town Meeting): (a) Federal and State Grants which may become available during the course of the year, and (b) any money from any other governmental unit or private source, which may become available during the year in accordance with RSA 31:95-b.

ARTICLE NO. 30

To see if the Town will vote to authorize the Board of Selectmen to accept the dedication of any street or road shown on a subdivision plan approved by the Planning Board provided that the Town Administrator has determined that said street or road has been constructed to applicable Town specifications.

ARTICLE NO. 31

To see if the Town will vote to authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purpose of contributing to the local matching portion required for

acquiring conservation land or interest in land or other costs associated therewith for permanent conservation use under the NH Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and State matching funds may be expended by majority vote of the Conservation Commission.

ARTICLE NO. 32

To see if the Town will vote to adopt the report of the Londonderry 2000 Project which established the following goals for the Town:

COMMUNICATIONS GOAL

In order to preserve our natural resources and open spaces for future public use and enjoyment:

1. Develop a natural resource inventory.
2. Develop a plan for protection of natural resources.
3. Maintain an aggressive posture as to the acquiring conservation land.

LAND USE GOAL

To develop a set of planning regulations and methods of using land which will retain a rural character, even in heavily developed areas, through innovative land use techniques.

HISTORIC PRESERVATION GOAL

To make preservation of historically significant areas and buildings an integral consideration in our development process.

FACILITIES UTILIZATION GOAL

To make the cross-utilization of both existing and future Town and School facilities and services a real factor in the stabilization of the local tax rate.

TAX BASE GOAL

To develop an industrial and commercial tax base that will offset the costs of the increased services outlined elsewhere in the Londonderry 2000 study. This increased commercial tax base should be extensive enough to keep

property taxes stable. The commerce and industry will have the additional beneficial impact of providing jobs.

PLANNING PROCESS GOAL

To develop a systematic planning function to promote a coordinated approach towards development that reflects the wants and needs of both the community and the developer.

EDUCATION GOAL

To build and maintain an educational system capable of preparing Londonderry students to meet the challenge of a changing regional and global environment.

COMMUNITY GOAL

To foster amongst the people of Londonderry a sense of community.

ARTICLE 101

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board by adding a paragraph to Section V, Article 408: "Accessory Apartments Proposal for the Town of Londonderry". To allow one bedroom apartments in a residential district as a secondary use to a home with certain conditions.

ARTICLE 102

To see if the Town will vote to add to the definition section of the Zoning Ordinance Article I, Section 201, the following words and definitions, as submitted by the Planning Board: "Farm", "Agriculture", "Building Coverage" and "Lot Size".

ARTICLE 103

To see if the Town will vote to delete from the definition section of the Zoning Ordinance Article I, Section 201, the following words and definitions, as submitted by the Planning Board: "Lot Coverage", "Ground Area of a Structure", "Country Inn", "Home Care", "Greenhouse Farm", "Greenhouse Retail", "Greenhouse-Wholesale", "Farming".

ARTICLE 104

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board, for the following sections:

Section XX, Article 2003.F.7 is amended by deleting the following words:.."for a total period not to exceed thirty (30) days per year" and inserting in place thereof the following words:..." on one occasion per calendar year for a total period not to exceed thirty (30) consecutive days unless otherwise permitted by the Building Inspector."

ARTICLE 105

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board to add the following subsection to Chapter I, Section XX, Article 2003.C.2: For agricultural use on lots of ten (10) acres or greater within any residential zone. a. One (1) freestanding sign indicating the name, nature and address of the occupancy for each agricultural lot, not to exceed thirty-two (32) square feet of the total sign area allowed, 25% may be used for changeable signage.

1. No freestanding sign, nor any part thereof, shall be located nearer than fifteen (15) feet to a property line.
2. No freestanding sign shall exceed fifteen (15) feet in height.

b. One (1) wall of facia sign indicating only the name and nature of the occupancy.
1. Said wall sign shall not exceed a total area of forty (40) square feet.
2. When a building faces two (2) rights-of-way, the permitted area of the wall sign may be divided between the two (2) building faces.

c. No sign shall be on or above the roof of any building.

ARTICLE 106

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board:

To amend the existing terminology under PRD Section IV by deleting sections 407.D.7. C & D and inserting in place thereof the following:

407.D.7.C. Minimum Setback Distances For Structures From Property Line

Front	30 feet
Side	15 feet
Back	15 feet

If a property abuts more than one existing and/or proposed right-of-way, the building setback will be 30 feet from each right-of-way. The Planning Board, during the site plan review, may allow certain signs, utility systems (including power and communication), or related facilities within the setback areas.

ARTICLE 107

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board to amend the existing terminology under Multi-Family Residential Section VI by deleting Sections 603.C.1,2,3,4 and inserting in place thereof the following:

603.C.1. Minimum Setback Distances For Structures From Property Line

Front	40 feet
Side	30 feet
Back	30 feet

If a property abuts more than one existing and/or proposed right-of-way, the building setback will be 40 feet from each right-of-way. The Planning Board, during site plan review, may allow certain signs, utility systems (including power and communication), or related facilities within the setback areas.

ARTICLE 108

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board to amend the existing terminology under Industrial Section VII by deleting sections 703.A.1,2,3,4 and inserting in place thereof the following:

703.A.1 Minimum Setback Distances For Structures From Property Line

Front	30 feet
Side	20 feet
Back	20 feet

If a property abuts more than one existing and/or proposed right-of-way, the building setback will be 30 feet from each right-of-way. The Planning Board, during site plan review may allow certain signs, utility systems (including power and communication), or related facilities within the setback areas.

ARTICLE 109

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board to amend the existing terminology under Commercial Section VIII by deleting section 803.A and inserting in place thereof the following:

Front	60 feet
Side	30 feet
Back	30 feet

If a property abuts more than one existing and/or proposed right-of-way, the building setback will be 60 feet from each right-of-way. The Planning Board, during site plan review may allow certain signs, utility systems (including power and communication), or related facilities within the setback areas.

ARTICLE 110

To see if the Town will vote to amend the Zoning Ordinance, as submitted by the Planning Board, so that the Zoning Board of Adjustment may grant a special exception to allow the retail sale of non-farm grown products. The total retail value of said special exception shall not exceed in value the total sales of the primary crops. To be eligible the farm must have a combined acreage in the Town in excess of twenty (20) acres.

ARTICLE 111

To see if the Town will vote to delete Chapter 1, Section 404.A. and Section 404.B., as submitted by the Planning Board, and insert language which would allow for the raising of pigs and poultry for a homeowner's sole consumption on a lot containing less than two (2) acres. No more than ten (10) adult birds or two (2) pigs shall be raised at any one time, additional set back regulations apply and there can be no public nuisance of any kind.

ARTICLE 112

To see if the Town will vote to amend the Zoning Ordinance, Flood Plain Ordinance, RSA reference, Section 1408-A, from RSA-A;1-b to RSA-A:3.

ARTICLE 113

To see if the Town will vote to amend the Zoning Ordinance, Section 302.B, by deleting the following references:

From: CO, AR-I, R-II, R-III, C-I, C-II, C-III, IND-I, IND-II

Inserting the following:

To: CO, AR-I, R-II, R-III, C-III, C-I, C-II, IND-I, IND-II.

ARTICLE 114

To see if the Town will vote to amend the Zoning Ordinance, Section 1210 to revise the Growth Management Ordinance to read "This Ordinance shall expire at the Annual Town Meeting in 1994 unless readopted at that meeting. The Planning Board shall make recommendations as to the necessity and desirability of readopting this Ordinance prior to said Annual Town Meeting."

ARTICLE 115

To see if the Town will vote to change the zoning of Map 3, Parcel 148, Parmenter Road, from AR-I to C-III, as submitted by Edward F. and Helen M. Bulkey, et al.

The Planning Board APPROVES this proposal.

ARTICLE 116

To see if the Town will vote to change the zoning of Map 15, Parcels 215-1 & 215-2, Grenier Field & Mammoth Roads, from C-III to C-I, as submitted by Carol Peterson, et al.

The Planning Board APPROVES this proposal.

ARTICLE 117

To see if the Town will vote to change the zoning of Map 15, Parcel 65-2, Rockingham Road, from AR-I to C-II, as submitted by Phil Couture, et al.

The Planning Board APPROVES this proposal.

ARTICLE 118

To see if the Town will vote to change the zoning of Map 7, p/o Parcel 38, off Orchard View Drive, from R-III to C-I, as submitted by Dennis Sargent, et al.

The Planning Board DISAPPROVES this proposal.

ARTICLE 119

To see if the Town will vote to change the zoning of Map 15, Parcel 80-2, Roy Street, from AR-I to IND-I, as submitted by John Gagnon, et al.

The Planning Board APPROVES this proposal.

ARTICLE NO. 33

To transact any other business that may legally come before this meeting.

Given under our hands and seal, this eleventh day of February in the year of the Lord, nineteen hundred and ninety-one.

Michael E. Alden, Chairman
Harry A. anagnos
LONDONDERRY, NH Anita L. Davidson
Gerald M. Gillespie
Arthur E. Rugg

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy at the Matthew Thornton School, Londonderry High School, U.S. Post Office, Londonderry Town Hall and Strino's General Store, being public places in said Town, on the twenty-fifth day of February, 1991.

Michael E. Alden, Chairman
Harry A. Anagnos
LONDONDERRY, NH Anita L. Davidson

SERVE YOUR COMMUNITY

Town government needs citizens who are willing to give time in the service of their community. The Talent Bank is organized as a means of compiling names of citizens willing to serve, voluntarily, on boards, committees and as resource people. Names in this file are available for use by the Selectmen and the Moderator, as well as all town Offices.

Talent Bank files will be updated to include categories consistent with the changing needs of the Town. Complete the questions, indicate your areas of interest and return to:

Town Government Talent Bank

LONDONDERRY ANNUAL TOWN MEETING

March 13, 1990

Annual Town Meeting, Town of Londonderry, County of Rockingham, State of New Hampshire, Tuesday, March 13, 1990, at the Matthew Thornton School.

Moderator: William J. Foley.

The Meeting was called to order at 7:00 A.M. and reading of the warrant began.

Mr. Boucher: "I move to eliminate the reading of the warrant." Seconded by Mr. Anagnos. Voted affirmatively.

Mr. Boucher: "I move that the election of Town Officers, action on Articles #101 through Article #122 be by ballot with the use of the checklist and that the polls open immediately and remain open until 8 o'clock this evening." Seconded by Mr. Anagnos. Voted affirmatively.

Mr. Foley announced the Selectmen have received Protest Petitions regarding Article #114, Article #119 and Article #122 and the petitions and notice are posted on the wall. These petitions may require a 2/3rd vote to pass.

Mr. Foley announced that he would commence processing the absentee ballots at 11:00 A.M.

(School Meeting was opened by Mr. Foley.)

Voting machines checked and shown to be ready.

Polls opened at 7:03 A. M.

Polls closed at 8:03 P. M.

Mr. Boucher: "I move to recess the Town Meeting to 7:00 P.M., Friday, March 16, 1990 at the Londonderry High School." Seconded by Mr. Anagnos. Voted affirmatively.

(The Moderator then proceeded with the ballot tally.)

TOTAL NUMBER REGISTERED VOTERS ---------- 10,780

Total number regular ballots cast --------- 2,386
Total number absentee ballots cast -------- 35

TOTAL NUMBER BALLOTS CAST---------- 2,421

Received sealed ballots: March 13, 1990 at 9:45 P. M.

Article #1. To choose all necessary Town Officers for the ensuing year or until another is chosen or appointed and qualified.

* Persons having plurality votes cast - declared elected.

ARTICLE 101

To see if the Town will vote to Amend the Zoning Ordinance as submitted by the Planning Board:

To add a permitted use in PRD Common Land-Argricultural to read: "The area of any PRD not used for individual lots, construction of buildings, roads and other areas for vehicular traffic shall be permanently maintained as common land for the purposes of agriculture, recreation and/or conservation."

Yes - 1,696 No - 439 Passed

ARTICLE 102

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board:

To add a new permitted use under the Commercial III District as follows:

"f. Child Day Care Facilities".

Yes - 1,552 No - 571 Passed

ARTICLE 103

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board:

To change the existing terminology under Non Conforming Use, on Section XIII, as follows:

From "3. Extended" To "3. Expanded"

Yes - 1,243 No - 648 Passed

ARTICLE 104

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board:

To change the existing requirements of the Elevation of Footings to read:

"Upon completion of the foundation footings, a certified plot plan prepared by a licensed surveyor indicating compliance with applicable setback requirements and its elevations shall be sumitted to the Building Inspector prior to the setting of the foundation walls."

Yew - 1,359 No - 720 Passed

ARTICLE 105

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board:

To include a new section titled "Elderly Housing Development Ordinance". The purpose is to allow elderly housing in any residential or commercial district in the Town as long as the regulation and criteria of the ordinance can be met. Permitted uses will include elderly housing and the support facilities associated with elderly housing. This ordinance will permit an increased residential density above that allowed in the AR-I, R-II and R-III district.

Yes - 1,495 No - 684 Passed

ARTICLE 106

To see if the Town will vote to amend the Zoning Ordinance as submitted by the Planning Board:

The purpose is to overlay and supplement the current regulations and shall be considered part of the ordinance for the purposes of administration and appeals under State Law. If any provision of this ordinance differs or appears to conflict any provision of the Zoning Ordinance or other ordinance or regulation, the provision imposing the greater restriction or more stringent standard shall be more controlling. The regulations shall apply to all lands designated as special flood hazard areas by FEMA in its Flood Insurance Study for the Town together with the associated Flood Insurance Rate Maps dated 1980 which are declared to be apart of this ordinance and are hereby incorporated by reference.

Yes - 1,385 No - 534 Passed

ARTICLE 107

To see if the Town will vote to change the zoning of Map 2, Parcel 28, Route 102 & Avery Rd, from AR-I to C-II, as submitted by the Londonderry Planning Board.

Yes - 1,020 No - 985 Passed

ARTICLE 108

To see if the Town will vote to change the zoning of Map 14, Parcel 21, Hall Rd, from I-II to AR-I, as submitted by the Londonderry Planning Board.

Yes - 1,256 No - 728 Passed

ARTICLE 109

To see if the Town will vote to change the zoning of Map 16, Parcel 9-1, Auburn Rd, from AR-I to I-I, as submitted by the Londonderry Planning Board.

Yes - 1,101 No - 867 Passed

ARTICLE 110

To see if the Town will vote to change the zoning of Map 16, Parcel 9-2, Auburn Rd, from AR-I to I-I, as submitted by the Londonderry Planning Board.

Yes - 1,111 No - 858 Passed

ARTICLE 111

To see if the Town will vote to change the zoning of Map 16, Parcel 10, Auburn Rd, from AR-I to I-I, as submitted by the Londonderry Planning Board.

Yes - 1,095 No - 862 Passed

ARTICLE 112

To see if the Town will vote to change the zoning of Map 16, Parcel 11, Auburn Rd, from AR-I to I-I, as submitted by the Londonderry Planning Board.

Yes - 1,090 No - 875 Passed

ARTICLE 113

To see if the Town will vote to change the zoning of Map 16, Parcel 11A, Auburn Rd, from AR-I to I-I, as submitted by the Londonderry Planning Board.

Yes - 1,088 No - 875 Passed

ARTICLE 114

To see if the Town will vote to change the zoning of Map 16, Parcel 9, Wilson Rd, from AR-I to I-I, as submitted by the Londonderry Planning Board.

Yes - 1,020 No - 936 Defeated
(2/3rd vote required)

ARTICLE 115

To see if the Town will vote to change the zoning of Map 17, Parcel 12, adjacent to Rt 28, from AR-I to I-I, as submitted by the Londonderry Planning Board.

Yes - 1,052 No - 910 Passed

ARTICLE 116

To see if the Town will vote to change the zoning of Map 15, Parcels 28, 27, 23-2, 22-1, 22, 124, 125, 126, 25, 24, 21, 21-1, 146, 149, 127, 128, Rockingham Road, from C-I to C-II, as submitted by Osvaldo Verani, et al.

The Planning Board approves this proposal.

Yes - 1,045 No - 982 Passed

ARTICLE 117

To see if the Town will vote to change the zoning of Map 15, Parcels 215-1, 215-2, Grenier Field & Mammoth Roads, from C-III to C-II, as submitted by A. James Young, et al.

The Planning Board disapproves this proposal.

Yes - 499 No - 1,534 Defeated

To see if the Town will vote to change the zoning of Map 17, Parcel 13 (portion of), off Mammoth Road, from AR-I to IND-I, as submitted by Ronald Doucet, et al.

The Planning Board approves this proposal.

Yes - 1,069 No - 934 Defeated
(2/3rd vote required)

ARTICLE 120

To see if the Town will vote to change the zoning of Map 7, Parcels 124-2, 123, 124-4, 124-5, 124-6, 124-46, 124-45, 124-44, 124-43, 124-42, 124-41, 124-40, 124-39, 127-2, 125, McAllister & Mercury Drives, from AR-I to C-I and Map 7, Parcel 124-1, Mercury Drive, from C-III to C-I, as Submitted by Oliver G. Simpson, et al.

The Planning Board approves this proposal.

Yes - 1,093 No - 970 Passed

ARTICLE 121

To see if the Town will allow the Zoning Board of Adjustment to waiver, under specified conditions, Section 407 (Planned Residential Development) of the Zoning Regulations in order to promote a more efficient use of our limited natural resources and encourage certain desirable aspects of development, as submitted by Eugene Harrington, et al.

The Planning Board disapproves this proposal.

Yes - 422 No - 1,643 Defeated

ARTICLE 122

To see if the Town will adopt a Londonderry Historic District Ordinance to preserve the character and integrity around the area of the Town Common and along a portion of Mammoth Road. The proposed Tax Map and Lot Numbers are as follows:

9-50; 9-53; 5-98; 6-19; 6-19A; 6-97-1; 6-137; 6-97 part of; 6-21-3; 6-21-1; 6-21 part of; 6-21-2., as submitted by the Londonderry Planning Board.

Yes - 919 No - 1,362 Defeated
(2/3rd vote required)

Respectfully submitted,

Alice M. Taylor
Town Clerk

LONDONDERRY ANNUAL TOWN MEETING

MINUTES ON ARTICLES ACTED UPON
MARCH 16, 1990
7:00 P.M.

LONDONDERRY HIGH SCHOOL AUDITORIUM
LONDONDERRY, NEW HAMPSHIRE

WILLIAM F. FOLEY.....Moderator
JOHN MICHELS.....Assistant Moderator
WILLIAM P. BOUCHER..Chairman, Board of Selectmen
PAUL A. DOYON.....Selectman
ARTHUR E. RUGG.....Selectman
MICHAEL E. ALDEN.....Selectman
HARRY A. ANAGNOS.....Selectman
MRS. ALICE M. TAYLOR.....Town Clerk
RICHARD L. HODGKINSON.....Town Administrator
ROBERT E. CARR.....Town Counsel
STEVEN E. PATNAUDE.....Stenotype Reporter

P R O C E E D I N G S

MODERATOR FOLEY opened the meeting at 7:00 P.M.

The Londonderry High School Color Guard and members of the Londonderry High School Band played the National Anthem. THE MODERATOR then led the salute to the flag.

Invocation was given by Reverend Shriner.

THE MODERATOR introduced the Board of Selectmen; Town Administrator, RICHARD L. HODGKINSON; Assistant Moderator, JOHN MICHELS; Town Counsel, ROBERT E. CARR; ALICE TAYLOR, Town Clerk; and the Court Reporter.

THE MODERATOR: I'd like to point out that we have several non-voters in the room. MRS. BALLARD of the Library Department is heading up the crew, that is on the Audio/Video crew. The Finance Director, PATRICIA DE YOUNG, the Librarian, CATHERINE REDDEN, DEREK LARKIN, who is a UNH student, who is here on a project for his Government class, a couple Boy Scouts, KEITH McDERMOTT and DAVID HUGHES, who are also on citizenship projects.

And I'd like the non-voters down front to please stand. I will ask you, are there any challenges to anyone else in the hall? Are there any other non-voters in the hall? Are there any challenges to people seated in the hall that may be non-voters? Seeing none, we'll proceed.

I'd like to start by calling on MICHAEL ALDEN to make a presentation.

MR. ALDEN: Thank you, Mr. Moderator. For the last several years of my term, I and the other members of the Board of Selectmen have had the privilege and honor of serving with our Chairman, WILLIAM BOUCHER. We feel he has done an outstanding job. He's going to be sorely missed. And, at this time, on behalf of the Board, we'd like to thank him and show a little appreciation. (Applause) We also would like to acknowledge another member of the Board who has been extremely valuable and knowledgeable in the years of experience in public service. He is also going to be sorely missed. And that's PAUL DOYON. (Applause) Thank you.

THE MODERATOR: I recognize Mr. ARTHUR RUGG, who would like to make a plea for volunteers.

MR. RUGG: Thank you, Mr. Moderator. I just wanted to call everyone's attention to the cover of the Annual Town Report. And, also, to turn to the inside of the cover. I and the Board are very thankful for the number of volunteers that we have that do participate. They are certainly a key element in the Town's success and also a big contributor, I think, to Londonderry's uniqueness. And I see some of their faces around here. We thank you all.

And we also want to give a special thanks to OZZIE VERANI, who tried to make Italian cooks out of all of us. We're going to try again next year.

But I also want to call your attention to page A-47 in the yellow section. Take a look at it and ask yourselves who you can help to contribute to the Town. Thank you.

THE MODERATOR then presented the meeting rules.

THE MODERATOR: I don't expect this meeting will go all that long, but if it does, we'll review our position later on this evening, maybe around 11:00 o'clock.

THE MODERATOR than explained the smoking policy, outside the building only, and also the procedures to follow in the case of a fire alarm.

MR. HODGKINSON then gave a presentation regarding the financial situation the Town is presently in and the future plans for the Town.

THE MODERATOR: As opposed to other years, when we've had lots of Bond Articles and have had to pace our meeting to one-hour voting periods, this year it's pretty straightforward. So, I'm just going to start on ARTICLE 2 and we'll continue on through the Warrant.

ARTICLE 2

To see if the Town will vote to raise and appropriate the sum of One Million Eight Hundred Thousand ($1,800,000) Dollars to be used to construct and equip a new police facility.

Such sum to be raised by the issuance of serial bonds or notes not to exceed One Million Eight Hundred Thousand ($1,800,000) Dollars under and in compliance with the provisions of the Municipal Finance Act (N.H. Revised Statutes Annotated Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes, to determine the rate of interest thereon and to take such other actions as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and authorize the Selectmen to accept and expend any funds from the State of New Hampshire, the federal government or private sources as may become available and to pass any vote relating thereto.

(This article, if passed, will have a tax impact of eleven cents per thousand for fiscal year 1990/91)

MR. BOUCHER moved the Article as read. MR. ALDEN seconded. MR. BOUCHER then gave a presentation. After a brief presentation MR. BOUCHER yielded to Mr. Benson, who gave a further presentation. Following Mr. Benson's presentation, MR. BOUCHER made a Motion to Amend ARTICLE 2, reducing the figure of "$1.8 Million" to "$1.4 Million". MR. DOYON seconded. Discussion followed. MR. BOUCHER then corrected his amended figure of "$1.4" to "$1.45 Million". Changing the original figure in ARTICLE 2 from "$1.8 Million" to "$1.45 Million". Changing the original figure in ARTICLE 2 from "$1.8 Million" to "$1.45 Million". MR. DOYON reaffirmed his second. There was no discussion on the amendment. Vote was taken on the amendment to ARTICLE 2, to change "$1,800,000" to "$1,450,000". Voted "yes" on the amendment.

THE MODERATOR: Okay. We're working on ARTICLE 2 at a new figure of "$1,450,000".

Discussion followed on ARTICLE 2, as amended. MR. LIEVENS had a Motion to Amend ARTICLE 2.

MR. LIEVENS: My motion is "To see if the Town will vote to appropriate the sum of $1,445,000 -- I guess it's $1,450,000" now. I took this out of the paper. So, better make it "450".

THE MODERATOR: "$1,450,000."

MR. LIEVENS: Yes. "To be used to construct and equip a new police facility and renovate the present facility for Town offices.

That this sum be taken from the reserve funds of the Town and authorize the Selectmen to expend any funds from the State of New Hampshire, the federal government or private sources as may become available for this purpose."

THE MODERATOR: Okay. Mr. Lievens, do you have a second? Is there a second?

MRS. PANASIA seconded. Discussion followed on Mr. Lievens' amendment. MR. SILVESTRO stated the Budget Committee voted eight to zero to opposed the building of a free-standing police station. Discussion followed on Mr. Lievens' amendment. MR. CURRIER moved the question on the amendment. MR. ANAGNOS seconded. Voted affirmatively to move the question.

THE MODERATOR: We'll go to MR. LIEVENS' amendment. Mr. Lievens has re-worded the Article to read as follows:

"To see if the Town will vote to appropriate the sum of $1,450,000 to be used to construct and equip a new policy facility and renovate the present facility for Town offices.

That this sum be taken from the reserve funds of the Town and authorize the Selectmen to expend any funds from the State of New Hampshire, the federal government or private sources as may become available for this purpose."

Voted negatively on the amendment. The amendment is defeated. Discussion continued on ARTICLE 2, as amended at $1,450,000. MR. ARNOLD moved to table ARTICLE 2. MR. SILVESTRO seconded. Voted affirmatively to table ARTICLE 2. ARTICLE 2 is tabled.

THE MODERATOR: ARTICLE 3.

ARTICLE 3

To see if the Town will vote to raise and appropriate the sum of One Million, Three Hundred Five Thousand ($1,305,000) Dollars to pay its proportional share of the capital costs for the expansion of Manchester's wastewater treatment plant as provided in the Inter-municipal Agreement between the Town and the City of Manchester.

Such sum is to be raised by the issuance of serial bonds or notes not to exceed One Million, Three Hundred Five Thousand ($1,305,000) Dollars under and in compliance with the provisions of the Municipal Finance Act (N.H. Revised Statutes Annotated Chapter 33) and to authorize the Selectmen to issue and negotiation such bonds or notes, to determine the rate of interest thereon and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and to authorize the Selectmen to accept and expend any funds from the State of New Hampshire, the federal government or private sources, as may become available for said project and to pass any vote relating thereto.

On completion of the treatment plant expansion, the City of Manchester shall have all the financial accounts associated with

the capital expansion audited by an independent accountant and/or the U.S.E.P.A. On completion of the audit, any difference between the actual capital costs and the estimated capital costs shall be adjusted to reflect the Town's share of actual capital costs.

(This Article, if passed, will have a tax impact of eight cents per thousand for fiscal year 1990/91.)

MR. BOUCHER moved the Article as read. MR. ALDEN seconded. MR. BOUCHER stated that ARTICLE 3 had the unanimous vote of the Board of Selectmen. MR. BOUCHER yielded to MR. MERRILL to give a presentation. Discussion followed. MR. SILVESTRO indicated that the Budget Committee was in favor of this Article seven to zero. Discussion continued. MR. CONNELLY moved the question. MR. GILLICK seconded. Voted affirmatively to move the question.

THE MODERATOR indicated that ARTICLE 3 is a bonding Article and it requires a secret ballot and that the polls must remain open for at least one hour.

Thereupon, the polls were opened on ARTICLE 3 at 8:00 P.M.

THE MODERATOR: We will continue on to ARTICLE 4.

ARTICLE 4

To see if the Town will vote to raise and appropriate the sum of Seventy Thousand ($70,000) Dollars to be used to provide a water line to the Nelson Road Recreation Area.

Said sum to be raised by the issuance of serial bonds or notes not to exceed Seventy Thousand ($70,000) Dollars under and in compliance with the provisions of the Municipal Finance Act (N.H. Revised Statutes Annotated Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes, to determine the rate of interest thereon and to take such other actions as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and authorize the Selectmen to accept and expend any funds from the State of New Hampshire, the federal government or private sources as may become available and to pass any vote relating thereto.

(This Article, if passed, will have a tax impact of less

than one cent per thousand for fiscal year 1990/'91.)

MR. BOUCHER moved the Article for purposes of discussion. MR. ALDEN seconded. MR. PSALEDAS then gave a presentation. Discussion followed. MR. HAJJAR indicated the Budget Committee voted not to support ARTICLE 4. Discussion continued. MR. BOUCHER Moved to Table ARTICLE 4. MR. ALDEN seconded. Voted affirmatively to table ARTICLE 4. ARTICLE 4 is tabled.

THE MODERATOR: ARTICLE 5, the budget Article.

ARTICLE 5

To raise such sums of money and make appropriations of the same as may be necessary to defray Town charges for the ensuing fiscal year July 1, 1990 through June 30, 1991.

MR. BOUCHER moved to accept ARTICLE 5. MR. ALDEN seconded. MR. BOUCHER made two amendments to the bottom line of the budget. One, was to decrease the cruiser line item by $2,000. MR. BOUCHER explained the reason for the amendment. The other amendment by MR. BOUCHER was to increase the recreation budget by $3,000, for a new line item called "field trips and exhibitions". MR. BOUCHER then explained his reason for that amendment as well and indicated that, if that amendment passed, that he would Move to Table Article 8.

THE MODERATOR: Now, first of all, I'd like a new bottom line, if I can get one. And, secondly, did you state that you were going to table ARTICLE 8? You would Move to Table ARTICLE 8 when it came up?

MR. BOUCHER: That's correct, Mr. Moderator.

THE MODERATOR: Okay, fine.

Discussion followed on the amendments. MR. ALDEN moved the amendments as made. MR. HODGKINSON seconded. Voted affirmatively on the two amendments. The amendments passed.

THE MODERATOR: We're working on a new bottom line for your budget figure of $9,303,293.

MR. CONNELLY of the Budget Committee indicated that the Budget Committee was in total concurrence with the budget. MR.

ALDEN moved the question. MR. HODGKINSON seconded.

Voted affirmatively to move the question. Voted "yes" on ARTICLE 5 at the amended figure of $9,303,293.

THE MODERATOR: We have a budget. ARTICLE 6.

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of Thirty-six Thousand ($36,000) Dollars for the acquisition of 17.4 acres, more or less, of land (Map 7 Lot 30) for outdoor recreation and conservation purposes, with Fifteen Thousand Five Hundred ($15,500) Dollars of this sum to be funded with Conservation Commission funds (RSA 36-a); and to authorize the Selectmen to accept and expend any funds from the Land Conservation Investment Program (LCIP), federal land and water Conservation Fund, or private sources, as may become available for said acquisition and to pass any vote relating thereto.

(This Article, if passed, will have a tax impact of three cents per thousand for fiscal year 1990/91.)

MR. RUGG moved the Article as read. MR. ANAGNOS seconded. MR. RUGG indicated that the Board of Selectmen are in support of this Article. Mr. Pennell of the Conservation commission gave the presentation. Discussion followed. Mr. Connelly stated that the Budget Committee is in unanimous support of this Article.

MR. CONNELLY then moved the question. Seconded by MR. GILLICK. Voted affirmatively to move the question. Voted "yes" on ARTICLE 6. ARTICLE 6 passes.

ASSISTANT MODERATOR: We now move on to ARTICLE 7.

ARTICLE 7

To see if the Town will vote to appropriate the sum of Twenty-seven Thousand ($27,000) Dollars to purchase three (3) defibrillators for use by the Londonderry Fire Department. This appropriation shall be null and void unless the sum of $27,000 (Twenty-seven thousand) is received by donations or grants from charitable organizations.

(This Article, if passed, will have no tax impact.

MR. ANAGNOS moved the question. Seconded by MR. RUGG. Presentation given by MR. ANAGNOS. Discussion followed.

MR. SYPEK. I would like to change ARTICLE 7 to read "To see if the Town will vote to appropriate the sum of $27,000 or any lesser amount to purchase three or less defibrillators for use by the Londonderry Fire Department. This appropriation shall be null and void unless the sum of $27,000 or less dollars is received by donations or grants from charitable organizations."

MR. DOYON seconded the amendment. Discussion followed on the amendment. MR. CONNELLY stated that the Budget Committee is unanimously in support of this Article.

ASSISTANT MODERATOR: In talking with the Town Counsel and the maker of the amendment, I think if the last part of the amendment would be worded "This appropriate shall be null and void unless the sum of $27,000 or such lesser sum is received by donations or grants from the charitable organizations." I changed the wording slightly, is that acceptable? All right, it's acceptable.

Discussion continued on the amendment. MR. EARLY moved the question. Seconded by MR. EMBRY. Voted affirmatively to move the question. The question is on the amendment.

ASSISTANT MODERATOR: Now, it's on ARTICLE 7, "To see if the Town will vote to appropriate the sum of $27,000 or any lesser amount to purchase three or less defibrillators for use by the Londonderry Fire Department. This appropriation shall be null and void unless the sum of $27,000 or any lesser amount is received by donations or grants from charitable organizations.

Voted "yes" on the amendment. The amendment passes. There was no further discussion on ARTICLE 7. Voted "yes" on ARTICLE 7 as amended. The Article passes.

THE MODERATOR: ARTICLE 8.

ARTICLE 8

To see if the Town will vote to raise and appropriate the sum of Three Thousand ($3,000) Dollars for the purpose of sponsoring the girls' basketball team from Vologda, USSR.

(This Article, if passed, will have a tax impact of less than one cent per thousand for fiscal year 1990/91.)

MR. ANAGNOS moved the Article as read. MR. RUGG seconded. MR. ANAGNOS moved to table ARTICLE 8. MR. ALDEN seconded. Voted "yes" to table ARTICLE 8. ARTICLE 8 is tabled.

THE MODERATOR: ARTICLE 9.

ARTICLE 9

To see if the Town will vote to authorize the Selectmen to accept subdivision roads dedicated as Class V highways upon determination in each case by the Town Administrator that the road has been accepted in accordance with applicable subdivision road standards and is in good condition.

MR. ANAGNOS moved the Article as read. MR. RUGG seconded. MR. ANAGNOS gave a brief presentation on ARTICLE 9. Discussion followed.

THE MODERATOR moved the question on the Article. Voted "yes" on ARTICLE 9. ARTICLE 9 passes.

THE MODERATOR: ARTICLE 10.

ARTICLE 10

To see if the Town will vote to authorize the discontinuance of McAllister Drive as a Class V Town road from its easterly intersection with NH Route 102 westerly to a point at the westerly boundaries of two parcels noted as Tax Map 7, Parcels 125 and 127-2. The land within the existing right-of-way would revert equally from the center of said right-of-way to the following abutting parcels: Tax Map 7, Parcels 121, 124-39, 124-40, 124-41, 124-42, 125, and 127-2.

MR. ALDEN moved the Article as read. MR. DOYON seconded.

MR. DOYON: I'd like to move that we include ARTICLE 11 with that, because of its compatibility and nature and entertain the vote on both at one time.

THE MODERATOR: The two Articles together? No problem.

Voted affirmatively to consider ARTICLES 10 and 11 concurrently.

THE MODERATOR: Okay. We'll consider both Articles. Let me read ARTICLE 11 to you so you know what the two are.

ARTICLE 11

To see if the Town will vote to authorize the discontinuance of Mercury Drive as a Class V Town road from its intersection with the existing McAllister Drive to a point at the westerly boundary of a parcel noted as Tax Map 7, Parcel 124-6. The land within the existing right-of-way would revert equally from the center of said right-of-way to the following abutting parcels: Tax Map 7, Parcels 121, 123, 124-1, 124-2, 124-4, 124-5, 124-6, 124-42, 124-43, 124-44, 124-45, 124-46, and 127-2.

MR. BOUCHER indicated that the Board of Selectmen were unanimously in support of ARTICLES 10 and 11. MR. BOUCHER then gave a brief presentation on the Articles. Discussion followed on ARTICLES 10 and 11. MR. LINCOLN moved the question. MR. ALDEN seconded. Voted affirmatively to move the question on ARTICLES 10 and 11 as read. Voted "yes" on ARTICLES 10 and 11. Both Articles passed.

THE MODERATOR: ARTICLE 12. I'll accept a motion to waive reading this.

MR. ALDEN moved to waive the reading of the Article. MR. RUGG seconded. Voted affirmatively to waive the reading of the Article.

ARTICLE 12

To see if the Town will vote to delete Chapter VII, ARTICLE 6, Section 1 of the Code of Ordinances and to replace same with the following language:

Each such owner or operator of a vehicle who violates the provisions of this chapter which governs and regulates stopping, standing and parking may within seven (7)

calendar days of the time when such notice was attached to such vehicle, pay, to the person in charge and on duty at police headquarters, as a penalty for and in full satisfaction of such violation, the following sums:

Fifty ($50.00) Dollars - unauthorized parking in a parking space designated for the handicapped when freestanding signs are posted.

Thirty ($30.00) Dollars - unauthorized parking in space designated as a fire zone or fire lane when freestanding signs are posted.

Twenty-five ($25.00) Dollars - all other parking violations (except for violations of the snow removal provisions hereinafter propounded as under Chapter VII, Article 8, Section 1.

The failure of such owner or operator to make such payment within the seven (7) day period shall render such owner or operator subject to the penalties hereinafter provided for violation of the general provisions of this chapter.

MR. ALDEN moved the Article as printed in the Town Report. MR. ANAGNOS seconded. A brief presentation was given by MR. ALDEN. MR. EARLY moved the question. Seconded by MR. ALDEN. Voted affirmatively to move the question. Voted "yes" on ARTICLE 12. ARTICLE 12 passes.

THE MODERATOR: ARTICLE 13. I'll take another Motion to Waive the reading.

MR. ALDEN moved to waive the reading of ARTICLE 13. Seconded by MR. ANAGNOS. Voted affirmatively to waive the reading of ARTICLE 13.

ARTICLE 13

To see if the Town will vote to delete the words "fifteen ($15.00) dollars" from Chapter VII, ARTICLE 8, Section 1 and replace it with following language: "Twenty ($20.00)".

The Article currently reads: From November 1 to April 1 of each year, no person shall park any motor vehicle on any public highway between 12:00 midnight and 8:00 A.M. or at any other time in such a manner as to impede snow removal operations.

Violators will be fined fifteen ($15.00) dollars or any vehicle parked in violation may be towed by the Road Agency, the Police Chief or their agents or by an independent contractor engaged by the Road Agent or the police chief, any vehicle so towed shall be stored and released to the owner only upon payment of the cost of towing as established the the Board of Selectmen.

MR. ALDEN moved ARTICLE 13 as printed in the Town Report. MR. ANAGNOS seconded. MR. ALDEN gave a brief presentation.

THE MODERATOR moved to go directly to a vote on ARTICLE 13 as printed in the Town Report. Voted "yes" on ARTICLE 13. ARTICLE 13 passes.

THE MODERATOR: ARTICLE 14.

ARTICLE 14

To see if the Town will vote to adopt the following ordinance under RSA 31:39-a:

A. No person may simultaneously hold an elective office of the Town and any different position as a full-time employee of the Town.

B. No person may commence full-time Town employment until he or she resigns any different elective Town office.

C. Pursuant to RSA 31:39-a, persons employed full-time by the Town on the effective date of this ordinance shall be exempt from its provisions for six months after its adoption. Thereafter, any full-time employee shall immediately resign from any different elective Town office. Failure to resign as required shall be cause for suspension from employment and/or removal from office.

D. Pursuant to RSA 31:39-a, removal proceedings shall, if necessary, be instituted in Superior Court.

E. This ordinance shall take effect upon its passage.

MR. BOUCHER moved it as read. MR. DOYON seconded. MR. BOUCHER indicated that the Board of Selectmen unanimously moved to table this Article. MR. BOUCHER moved to table ARTICLE 14. MR. DOYON seconded. Voted affirmatively to table ARTICLE 14. ARTICLE 14 is tabled.

THE MODERATOR: ARTICLE 15. I'll take a motion to waive the reading.

MR. RUGG moved to waive the reading of ARTICLE 15. MR. BOUCHER seconded. Voted affirmatively to waive the reading of ARTICLE 15.

ARTICLE 15

To see if the Town will vote to accept the following ordinance: Control and containment of hazardous materials.

Section I. Authority: This ordinance is enacted under the authority of RSA: 31:39-a, RSA: 41:11, and RSA 47:17-VI.

Section II. Purpose: To provide for the control and containment of hazardous materials after accident or discharge. The purpose of the ordinance is not to impose upon the Town, or any of its officers and agents, any obligation to secure or remove any hazardous material from the Town once safe containment of the material is made. Nothing in the ordinance is intended to relieve any owner or person in possession of hazardous material of any obligation imposed by state or federal law; and nothing in the ordinance shall be deemed to permit the possession, storage or use of hazardous materials, except in conformance with all state, federal or local laws.

Section III. Application: This ordinance shall apply to all incidents involving hazardous waste or hazardous materials within the boundaries of the Town of Londonderry, and to all persons who may possess such materials found within the Town except as prevailing state or federal laws or regulations may take precedence and control over any such incident or person. (E.g., RSA 146-a; RSA 147: and RSA 265:115-118).

Section IV. Definitions: For the purposes of this ordinance, the following definitions apply.

A. Hazardous Materials - Those substances or materials in such quantity and form which may pose an unreasonable risk to health and safety or property, which may include, but are not limited to, explosives, radioactive materials, etiologic agents, flammable liquids and solids, combustible liquids or solids, poisons, oxidizing or corrosive materials, and compressed gases which are listed by the

Materials Transportation Bureau of the United States Department of Transportation in Title 49 of the Code of Federal Regulations, and any amendment thereto.

B. Person - Any individual, corporation, partnership, trust, or other legal entity.

C. User - Any person who manufacturers, transports, owns, uses, handles, stores, or has the legal authority to control hazardous materials, specifically including their officers, directors, employees and agents.

Section V. Duty to Report: Any person who causes or has knowledge of any discharge or release of hazardous materials from their safe container, in any manner which poses an actual or potential threat to people, animals, wildlife, vegetation, property, or the environment, shall immediately report the incident to the Londonderry Fire Department.

Section VI. Clean up: The user or transporter of a hazardous material which is intentionally or accidentally discharged or released within the Town shall, in addition to reporting the accident as required by Section V, take immediate action to cause the discharge or release to be cleaned up in an environmentally safe and scientifically sound manner, and to restore the site and the surrounding environment.

Section VII. Intentional Discharge or Release: The intentional discharge or release of a hazardous material within the Town of Londonderry is strictly prohibited.

Section VIII. Penalties:

(a) Any person who fails to report, as required by Section V, shall be assessed a penalty not to exceed One Thousand ($1,000) Dollars. Each 24-hour period that the incident is not reported shall constitute a separate offense.

(b) Any person who intentionally discharges or releases, or causes another to discharge or release any hazardous materials from their safe container, in any manner which poses an actual or potential threat to people, animals, wildlife, vegetation, property, or the environment, shall be assessed a penalty not to exceed One Thousand ($1,000) Dollars.

(c) Any person who fails to take the action required by Section VI shall be assessed a penalty not to exceed One Thousand ($1,000) Dollars. Each 24-hour period that a person fails to take action to cause the discharge or release of a hazardous material to be cleaned up, shall constitute a separate offense.

Section IX. Use of Penalties Collected: All penalties collected under this ordinance shall be placed in the General Fund.

Section X. Emergency Operations: The Fire Chief of the Town of Londonderry, or his designated representative(s); shall take, and be in control of, any actions necessary to mitigate a hazardous materials incident within the Town of Londonderry, except where state or federal agencies have jurisdiction by law.

Section XI. Enforcement: The Selectmen of the Town of Londonderry shall be responsible for enforcing this ordinance.

Section XII. Nothing in this ordinance shall be construed to limit any other remedy the Town may have to collect from responsible parties for the cost of control and containment of hazardous materials incidents.

Section XIII. Repeal: Any provision of any ordinance which is inconsistent with this ordinance is hereby repealed.

Section XIV. Severability: If any section, subsection, sentence, clause, phrase, or part of this ordinance should be held invalid for any reason whatsoever, such decision shall not affect the remaining portions; which shall remain in full force and effect; and, to this end, the provisions of this ordinance are severable.

Section XV. Effective Date: This ordinance shall become effective upon passage by the Town Meeting.

MR. RUGG moved to accept ARTICLE 15 as printed in the Town Report. MR. ANAGNOS seconded. MR. RUGG gave a presentation on ARTICLE 15. Seeing no further questions on ARTICLE 15 after the presentation, THE MODERATOR moved the question on ARTICLE 15. Voted "yes" on ARTICLE 15. ARTICLE 15 passes.

THE MODERATOR: ARTICLE 16.

ARTICLE 16

To see if the Town will pass an ordinance as follows:

Collection of recyclables by unauthorized persons prohibited: From the time of placement of any recyclables at the curb of any resident, ownership of such materials set out for collection shall therefore vest in the Town of Londonderry. It shall be unlawful for any person, persons, firms or corporations to collect, remove or dispose of recyclables which are the property of the Town of Londonderry. Each such collection, removal or disposal in violation hereof from one or more residences shall constitute a separate and different offense.

Penalties for Offenses: A person, persons, firm or corporation convicted of violating any provisions of this chapter shall be guilty of a violation which is punishable as follows:

1. For a first conviction, by a fine of Twenty-five ($25.00) Dollars.

2. For a second conviction, by a fine of Fifty ($50.00) Dollars.

3. For a third, and all subsequent convictions, by a fine of not less than Two Hundred Fifty ($250.00) Dollars nor more than Five Hundred ($500.00) Dollars.

MR. RUGG moved the Article as read. MR. BOUCHER seconded. MR. RUGG indicated that the Board of Selectmen are in support of this Article. MR. KELLEY gave a presentation on ARTICLE 16. MR. SILVESTRO indicated that the Budget Committee felt the Article as written is very vague. And, therefore, the Budget Committee is opposed to it as written in the Town Report.

THE MODERATOR: Okay. I'll advise you one thing that I was just told. In, I'm not sure what line it is in the Town Report, the fifth line down, the word "therefore" should read "thereafter". A little typo.

Discussion followed on ARTICLE 16. MR. EARLY moved the question. MR. HAJJAR seconded. Voted affirmatively to move the question. Voted "yes" on ARTICLE 16. ARTICLE 16 passes.

THE MODERATOR: Yes, Mr. Hajjar.

MR. HAJJAR: I'd like another show of hands, particularly on that last Article, please. It seemed close

to me.

THE MODERATOR: Mr. Hajjar has asked for another show of hands on ARTICLE 16.

Voted "yes" on ARTICLE 16. ARTICLE 16 passes.

THE MODERATOR: ARTICLE 17.

ARTICLE 17 By petition of Leslie R. Schuster, et all.

Beginning the school year of 1990, any owner of real estate in Londonderry, New Hampshire who pays all or any part of the actual educational expenses of tuition and/or textbooks, for any Londonderry student-resident of any public or private school, which legally fulfills the State of New Hampshire compulsory attendance laws, may be eligible, pursuant to RSA 76:16, to receive an abatement for real estate taxes from the Town of Londonderry, an an amount, dollar for dollar, not to exceed $1,500.00, or an amount not to exceed 75% of the last Town of Londonderry tax bill, whichever is the lesser amount. Under no circumstances will abatements be denied for reasons of race, creed or national origin.

Thereupon the polls were closed at 9:00 P.M. on ARTICLE 3.

MR. ALDEN moved ARTICLE 17 as read. MR. BOUCHER seconded. MR. SCHUSTER indicated that the petition was sponsored by the Londonderry Taxpayers Association. And MR. KELLEY yielded to MR. EMBRY to give a presentation on the Article. MR. EMBRY gave a presentation on ARTICLE 17. Discussion followed on the Article. MR. LABOULIERE moved the question. MR. ALDEN seconded. Voted affirmatively to move the question. Voted "no" on ARTICLE 17. ARTICLE 17 is defeated.

THE MODERATOR: I'd like at this time to have you entertain a motion to take one Article out of order. ARTICLES 19 and 20 are going to require a ballot vote, not that the ballot vote has to be opened for an hour, like we do with bonding, but they have to be taken by a ballot vote. I would like to postpone deferring ARTICLE 18, go forward discussing ARTICLES 19 and 20, get that out of the way. And we'll have plenty of time to discuss ARTICLE 18, which I think is probably going to have a fair amount of discussion.

MR. HODGKINSON makes a motion to discuss ARTICLES 19 and

20 before ARTICLE 18. MR. BOUCHER seconded. Voted affirmatively to change the order of the Articles.

THE MODERATOR: Okay, we'll go to ARTICLE 19, we'll do 19, 20 and come back to 18. ARTICLE 19.

ARTICLE 19 By petition of David Hicks, et al.

"Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is $100, rather than $50."

(This Article, if passed, will have a tax impact of $.08 per thousand for fiscal year 1990/91.)

MR. BOUCHER moved the Article as read. MR. ALDEN seconded. MR. DANIEL HICKS gave a presentation on ARTICLE 19. Discussion followed. MS. DUNN indicated that the Budget Committee is in favor of this Article. Discussion followed.

There being no further discussion on the Article, THE MODERATOR moved the question. Voted affirmatively to move the question.

THE MODERATOR: Now, I'm going to take up ARTICLE 19 and 20, as I told you, before we opened the polls. So, let me go to ARTICLE 20.

ARTICLE 20

By petition of Daniel Hicks, et al.

"Shall we adopt the provisions of RSA 72:35 IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is $1,400 rather than $700."

(This Article, if passed, will have a tax impact of $.02 per thousand for fiscal year 1990/91.)

MR. DOYON moved the Article as read. MR. HODGKINSON seconded. MR. DANIEL HICKS gave a presentation on the Article. Discussion followed.

There being no further discussion, THE MODERATOR moved

the question. Voted affirmatively to move the question.

THE MODERATOR: Okay. We're going to move ARTICLES 19 and 20 as soon as our checklist people get squared away down here and get the last booth cleaned up, all right. Let's go and discuss ARTICLE 18. I know everybody has been waiting for ARTICLE 18.

ARTICLE 18 By petition of Thomas Kimball, et al.

To see if the Town will vote to prohibit target practicing with any type of firearm within the Town limits, except entirely within a building having adequate safety precautions as required by federal, state and local ordinances, so as not to disturb the peace and dignity of the inhabitants of the Town of Londonderry.

Article enforcement: The provisions of this by-law shall be enforceable by every police and law enforcement officer, including, but not limited to State Police officers, sheriffs, deputy sheriffs, fish and game officers, policemen, constables and all persons empowered to make arrests in criminal cases.

MR. HODGKINSON moves to accept the Article as read. MR. DOYON seconded.

THE MODERATOR announced the results on ARTICLE 3. There was a total of 810 votes cast. The vote on ARTICLE 3 was 628 "yes", 182 "no". ARTICLE 3 passes.

MR. KIMBALL then gave a presentation on ARTICLE 18.

Thereupon the polls were opened on ARTICLES 19 and 20 at 9:20 P.M.

Discussion followed on ARTICLE 18. MR. ARNOLD moved to table. MR. VERANI seconded. Voted "no" to table ARTICLE 18.

THE MODERATOR: We're back to ARTICLE 18. It is not tabled.

Discussion continued on ARTICLE 18. MR. PURWIN made a motion to table the Article. Seconded by MR. HAJJAR. Voted "no" on the motion to table the Article.

THE MODERATOR: Okay, we're back on

ARTICLE 18.

Discussion continued on ARTICLE 18. MR. BOUCHER moved the question. MR. DOYON seconded. Voted affirmatively to move the question. Voted "no" on ARTICLE 18. ARTICLE 18 is defeated.

THE MODERATOR: Okay. While we're voting on ARTICLES 19 and 20, ARTICLE 21.

ARTICLE 21 By petition of Charles Sullivan, et al.

To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting presentation of the global environment and launching of the "Decade of the Environment."

MR. RUGG moved the Article as read. MR. ALDEN seconded. MR. SULLIVAN gave the presentation on ARTICLE 21. MR. RUGG indicated that the Board of Selectmen are in favor of this Article. MR. CONNELLY moved the question. MR. ALDEN seconded. Voted affirmatively to move the question. Voted "yes" on ARTICLE 21. ARTICLE 21 passes.

ASSISTANT MODERATOR: ARTICLE 22.

ARTICLE 22 By petition of Stephen D. Connelly, et al.

To see if the Town will vote to take the following action in the interest of public safety and welfare:

(1) Oppose the construction of an east to west highway from F.E. Everett Turnpike to Route I-93, as proposed in State Project 10975 Manchester Airport Access Study, and passing through the North Londonderry area or any other part of the Town of Londonderry.

(2) To send notification of the Town's opposition to the appropriate departments and offices of the State, to include the Department of Transportation, the House of Representatives and the Governor of the State of New Hampshire.

MR. BOUCHER moved the Article as read. Seconded by MR. ALDEN. MR. CONNELLY gave the presentation on ARTICLE 22. MR. BOUCHER indicated that the Board of Selectmen are opposed to the Article as written, and, specifically, to the phrase "or any other part of the Town of Londonderry".

Discussion followed on ARTICLE 22. MR. SCHUSTER moved the question. MR. DUXBURY seconded. Voted affirmatively to move the question. Voted "no" to ARTICLE 22. ARTICLE 22 is defeated.

ASSISTANT MODERATOR: We now move on to ARTICLE 23.

ARTICLE 23

To see if the Town will vote to rescind its approval of the following amounts which were not raised and appropriated by the previous action of the Town as follows:

(a) Five Thousand ($5,000) Dollars: ARTICLES 8 and 9 of the March 1980 Town Meeting and ARTICLE 6 of the March 1985 Town Meeting.

(b) One Hundred Thirty-one ($131.00) Dollars: ARTICLE 19 of the March 1988 Town Meeting.

MR. ANAGNOS moved the Article as read. Seconded by MR. ALDEN. MR. ANAGNOS made a motion to amend ARTICLE 23 by removing the word "not". Seconded by MR. ALDEN. Voted "yes" to the amendment on ARTICLE 23. The amendment passes.

Presentation given by MR. ANAGNOS on ARTICLE 23. Discussion followed.

There being no further discussion, the ASSISTANT MODERATOR moved the question. Voted "yes" to ARTICLE 23 as amended. ARTICLE 23 passes.

ASSISTANT MODERATOR: We now move on to ARTICLE 24.

ARTICLE 24

To see if the Town will vote to rescind its affirmative vote on ARTICLE 9 of the March 1986 Town Meeting. ARTICLE 9 of the March 1986 Town Meeting voted to raise and appropriate the sum of Three Hundred Fifty Thousand ($350,000) Dollars for a municipal refuse transfer site.

MR. ANAGNOS moved the Article as read. MR. ALDEN seconded. A brief presentation was given by MR. ANAGNOS.

There being no further discussion on the Article, the ASSISTANT MODERATOR moved the question on ARTICLE 24. Voted "yes" on ARTICLE 24. ARTICLE 24 passes.

ASSISTANT MODERATOR: We now move on to ARTICLE 25.

ARTICLE 25

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, and pursuant to New Hampshire Revised Statutes Annotated Section 33:7 and Section 33:7-a to incur debt for temporary loans in anticipation of 1990-91 taxes, and in anticipation of any bond issue which may be voted by the Town and to issue, therefore, notes of the Town payable within one (1) year after their date, and to pay or renew the same by issue of new notes payable within one (1) year after the date of the original publication.

ARTICLE 25 was moved by MR. DOYON as read. MR. ALDEN seconded. MR. DOYON gave a very brief presentation on ARTICLE 25.

There being no further discussion on ARTICLE 25, the ASSISTANT MODERATOR moved the question on the Article. Voted "yes" on ARTICLE 25. ARTICLE 25 passes.

ASSISTANT MODERATOR: We now move on to ARTICLE 26.

ARTICLE 26

To see if the Town will vote to authorize the Selectmen to sell at public auction or by advertised bid and to convey any real estate acquired through deeds from the collector of taxes, or as reimbursement for assistance furnished to citizens, providing that in the case of tax deeded real estate, the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same for back taxes and interest due before public auction, and pass any vote relating thereto.

MR. DOYON moved the Article as read. Seconded by MR. ALDEN. MR. DOYON gave a very brief explanation of ARTICLE 26 and moved the question. MR. ALDEN seconded. Voted "yes" on ARTICLE

26. ARTICLE 26 passes.

ASSISTANT MODERATOR: We now move on to ARTICLE 27.

ARTICLE 27

To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money.

MR. DOYON moved the Article as read. MR. ALDEN seconded. MR. DOYON gave a very brief explanation of ARTICLE 27 and then MR. DOYON moved the question. Seconded by MR. ALDEN. Voted "yes" on ARTICLE 27. ARTICLE 27 passes.

ASSISTANT MODERATOR: We now move on to ARTICLE 28.

ARTICLE 28

To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-a, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and State matching funds may be expended by majority vote of the Conservation Commission.

MR. DOYON moved the Article as read. MR. ALDEN seconded. MR. DOYON gave a brief explanation of ARTICLE 28. And then MR. DOYON moved the question. Voted "yes" to ARTICLE 28. ARTICLE 28 passes.

THE MODERATOR: All right. Before we go to the so-called "catch-all Article", where do we stand on voting on these veterans' exemptions? Okay, I can't close this meeting until everybody has had a chance to vote on the veterans'

exemptions. And I suggest you guys up here who haven't, do so. ARTICLE 29.

ARTICLE 29

To transact any other business that may legally come before this Meeting.

MR. BOUCHER: Mr. Moderator, could I be recognized to transact some business?

THE MODERATOR: To transact some business? Whatever's legal, you can transact.

MR. BOUCHER: Thank you, Mr. Moderator. As lame duck chairman, this is the last official thing that I'll be doing as a Selectman in the Town of Londonderry. And I have to tell you about what we're up against here. The Selectmen made a motion -- regularly made a motion which was unanimously accepted at a meeting that Carol Doyon, the Executive Secretary, sat up here with us and be recognized for the fine work that she has done for all these years. However, she went to the Chairman and threatened him with bodily harm, if she did not get an exemption from the mandate to sit up here at the head table. So, on the basis of that, I didn't get angry, but I'm going to get even. And I'd like you all to say "Thank you" to Carol Doyon for the wonderful job she has done for the Town of Londonderry. Carol, would you please rise. She's right over there. The crowd loves you, isn't that wonderful.

(Applause.)

THE MODERATOR: David Hicks.

MR. HICKS: Yes. I feel we need a police station and everything else, but I would like to authorize the Selectmen or resolve the Selectmen to clear, stump and gravel the lot for the police station by having the Highway Department do it in their spare time.

THE MODERATOR: Mr. Hicks, do you have a second? MR. MERRILL seconds. Any discussion on Mr. Hicks' motion? Those in favor of MR. HICKS' motion, as read, please raise their hand? Those opposed? It carries.

Further discussions under ARTICLE 29, comments or

questions? Seeing none, let me offer -- Mr. MERRILL?

MR. MERRILL. MR. MODERATOR, I realize that we cannot have a binding motion made. But I would like to ask for a consensus that the State should not run through the North Londonderry Village area and cut it off there. I realize the previous motion had some objectionable items in it, so I would just ask for a consensus that it should not go through the village area.

THE MODERATOR: Do you have a second? This lady. What's your name, please? MRS. SCHUSTER? MRS. SCHUSTER seconds. Those in favor of MR. MERRILL'S motion, please raise their hand? Those opposed? It's fine.

Any further -- this Gentleman.

MR. SHACKFORD: Yes, Dick Shackford. When we have bonding issues, either Town or school, they always give us what the tax impact is going to be this year. And, admittedly it's the lowest. My suggestion, I don't want to put it in any mandate, but, along with what the tax impact is going to be for the year we're voting on, also give the second and third year, to see what we're going to be paying on down the road. I think this was mentioned a couple of years ago. but nothing has ever followed through. I can's see any reason why it couldn't be added.

THE MODERATOR: Okay, take note. Any further questions under ARTICLE --- Mr. Gillick.

MR. GILLICK: Ed Gillick, from the Budget Committee. And, what we'd like to do is to see if the board -- to make a motion, MR. MODERATOR, to see if the Board of Selectmen would appoint a committee of nine to see if the funds from the thirteen-month tax fund would be transferred into a capital reserve fund. Such committee to consist of one Selectman, one School Board member, one state legislator, Town Treasurer, Town Finance Director, Town Administrator, School Superintendent, one Budget Committee member and one citizen at large.

THE MODERATOR: Do you have a second, MR. GILLICK?

MR. HAJJAH: Second.

THE MODERATOR: MR. HAJJAH seconds. You wish to speak to your motion?

MR. GILLICK: As read.

THE MODERATOR: You've done it, okay. Any questions to MR. GILLICK and his motion? This in favor of Mr. Gillicks's emotion raise your hand? Those opposed? MR. GILLICK'S motion carries.

Questions: Yes, Sir?

MR. WHYNALL: Dick Whynall. And, in view of the statement made previously about the thirteen-month tax fund, I think that would be illegal. You can't transfer it to a capital improvement fund, in terms of what was said before.

THE MODERATOR: That may be true, they'll note your objections. Has everybody in the hall voted on ARTICLES, what were they, 19 and 20? Anybody who hasn't voted? Everybody's out of step but my Johnny. While we're waiting for the results of that vote, those candidates who were successful in Tuesday's elections, if you'd like to come forward, I'd be happy to swear you in at this time. I don't know how many of you are here, but we'll do it and be done with it, while we kill a little time. Anybody here? MR. LINCOLN? MR. GILLESPIE here? MRS. DAVIDSON? MR. NAHIL's here. How about MR. WING. MR. WING, weren't you elected the other day to a new term? Why don't you come on down.

MR. SILVESTRO: MR. SILVESTRO'S here.

Whereupon a number of the newly elected officers were sworn in by THE MODERATOR.

Thereupon the polls were closed on ARTICLES 19 and 20 at 10:00 P.M.

THE MODERATOR: Okay, we'll just wait for the count on that vote on the veterans' exemptions, and then I'll accept a Motion to Adjourn.

Thereupon the counting of the votes on ARTICLES 19 and 20 ensued.

THE MODERATOR: Okay, to wrap this up, here's the vote on ARTICLES 19 and 20. ARTICLE 19, 683 voted. 467 "yes", 215 "no", one blank. ARTICLE 19 passes and I so declare it. ARTICLE 20, 679 voted. 560 voted "yes", 119 voted "no". ARTICLE

20 passes and I so declare it.

MR. ALDEN moved to adjourn the meeting. MR. MICHELS seconded. Voted affirmatively to adjourn the meeting.

(Thereupon the meeting was adjourned at 10:15 P.M.)

TRUSTEES OF TRUST FUNDS

The Trustees of Trust Funds continued their restoration work on monuments in the town cemeteries. Henry I. Martin, of Cassell Monument Company, Kittery, Maine was contracted to begin work in Valley Cemetery on Pillsbury Road and has repaired several stones and markers. Broken tablets were mended with epoxy and tilted markers were straightened. Mr. Martin has done extensive work in older cemeteries in New Hampshire, Maine and Massachusetts. We observed some of his work and felt he was well qualified for the job. Due to the cold weather, Mr. Martin had to stop work but he will continue in the spring. Due to the high cost of this type of work, the Trustees have instructed Mr. Martin to do small areas at a time as budgeted amounts warrant.

An improvement and beautification program was started at Pleasantview Cemetery last summer with the planting of trees and shrubs and the grading and seeding done in the older section. Previously, there were many sunken graves and grass that had been overtaken by moss. Trees and brush in the back section were cut to allow the platting of additional gravesites.

Since the Pleasantview Cemetery is the only one with plots available for sale, we are endeavoring to improve the appearance as funds permit. The Trustees will continue to up-grade and improve this cemetery during the coming year as well as continuing the search for land for future cemetery use.

Scouts continue to approach us with requests for Eagle Scout projects. Our latest proposal was from Anthony Whitesell of Londonderry Troop 521 who wishes to provide a written record of the people buried in town-owned cemeteries. This young man plans to begin in Glenwood Cemetery in April by mapping and recording the burial sites using the information on headstones. Upon completion of Glenwood Cemetery, he plans to plot Sunnyside Cemetery on Litchfield Road. Anthony will provide us with a gridded map of each lot, a numerical listing and an alphabetical listing of each grave in each cemetery. Additional copies will be given to the Library, the Historical Society and others upon request.

Respectfully submitted,

Malcolm D. Wing
Marion I. Anderson
Elaine J. Lafond

REPORT OF THE AUDIT COMMITTEE

The twelve month period ending June 30, 1990 was audited by the accounting firm of VACHON, CLUKAY & COMPANY, P.C. The Audit Committee has reviewed the auditor's opinion and the commentary to the Board of Selectmen. The Audit Committee agrees with the auditor's observations and recommendations.

In reviewing the auditor's recommendation for the past years, all items have been addressed and resolved except for the manual maintenance of the Tax Collector's records. We strongly recommend that immediate steps be taken to computerize these records.

This recommendation continues to have the attention of the Audit Committee due to the fact that this represents the major revenue collection department for the Town. The result of implementation of the system would be better control and elimination of possible manual errors.

After speaking with the Finance Director, we feel confident that this transition will occur this year.

July 26, 1990

Board of Selectmen and Town Administrator
Town of Londonderry, New Hampshire

We have audited the financial statements of the Town of Londonderry, New Hampshire for the year ended June 30, 1990, and have issued our report thereon dated July 26, 1990. As part of our audit, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the Town's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of the Town of Londonderry, New Hampshire is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of Town of Londonderry taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

We noted other matters involving the internal control system and its operation that we have reported to management in a separate letter dated July 26, 1990.

This report is intended solely for the use of the Board of Selectmen, Audit Committee, management and others within the organization and should not be used for other purposes.

Vachon, Clukay & Co., PC

FINANCIAL REPORTS

Observation

Trial balance revenues and expenditures did not consistently agree with detailed revenue and appropriation reports.

Implication

The detailed reports should agree to the trial balance control accounts in order to insure all revenues and expenditures are included on management reports.

Recommendation

We recommend that the detailed schedules be reconciled with the trial balance.

PAYROLL LIABILITIES

Observation

While reviewing payroll liability accounts, we observed that they were often misclassified when accrued by the computer.

Implication

Payroll liabilities may not be properly stated on an account by account basis.

Recommendation

We believe that the Town should adjust the computer program to properly record and classify payroll liabilities. The payroll liability accounts should also be reconciled on a regular basis.

LIBRARY FUND

Observation

During our audit of library expenditures, we noted that there is no indication of approval for payment.

Implication

Payments could potentially be made for unauthorized expenditures.

Recommendation

We recommend that the Director indicate approval for the expenditure.

TAX COLLECTOR'S OFFICE

Observation

We noted that the Tax Collector's office continues to prepare reports manually without relying on the current computer software.

Implication

The manual reports prepared did not agree with the computer generated reports at year end.

Recommendation

We continue to recommend that the Tax Collector's office be fully automated.

SPECIAL REVENUE FUNDS

Observation

As of June 30, 1990 the Town was accounting for certain restricted revenues in twenty-nine special revenue funds. Several of these funds recorded revenues of less than $1,000 during the year.

Implication

Unnecessary funds may result in inflexibility, undue complexity and even inefficient financial administration.

Recommendation

We believe Town officials should review the purposes of these numerous funds. Under generally accepted accounting principles resources restricted to expenditure for purposes normally financed from the general fund may be accounted for through the general fund provided applicable legal requirements can be appropriately satisfied. We also believe that certain of the special revenue funds would benefit from budgetary controls and urge Town officials to review the funds with a budget in mind.

LONDONDERRY LEACH LIBRARY TRUSTEES REPORT 1990

The Londonderry Leach Library Trustees meet the first Monday of every month, except during the months of July and August.

The annual book Sale was held in October and was a great success. There was a great assortment of good books for children and adults. Most of the books had been stored in the barn of one of the Trustees during the year and were transported back to the library by others. We had a few Boy Scouts who gave us a hand for which we were most grateful. Thanks to our husbands and all others who helped with this endeavor.

In December, we had a "goodie" table (consisting of candy and baked goods) at the Christmas Fair which was held at the Matthew Thornton School. This was profitable, too.

Some new furniture has been added to the Children's Room and to the Adult Room. We can't forget to mention the newly paved parking lot at the back of the library which has been long awaited and greatly appreciated.

We are very proud of our Children's Room. Marion Guilbert, Children Librarian, devotes a great deal of time and energy to the success of the Department. The circulation of books grows each year and the children are delighted with the special features that are held from time to time.

Cathy Redden does an excellent job as Director of the Library. She sets goals for the Library and sees that they are met. She gives freely of her time and has done much to make known all the available advantages of a well run library. Her contact with other libraries, businesses, etc. has greatly enchanced our credibility.

Many thanks to all the other employees of the Library who give of themselbves to help others. Without their help. we would never achieve our goals.

Lastly, I want to commend the Trustees who very seldom miss a meeting and eagerly apply themselves to see that we are a smooth running organization. Each and every one contributes to any and all of the activities with great enthusiasm.

Respectfully submitted,
Marilyn H. Bowen,
Chairman

TOWN ADMINISTRATOR'S REPORT

When a job is lost, when one's livelihood evaporates or diminishes, there are no acceptable explanations. Unfortunately, these are the circumstances confronted by some Londonderry residents and now Town employees. These stark realities are softened only by knowing that Nutfield has endured for more than 300 years and that Londonderry will continue well into the future.

We cannot alter the worldwide social and economic evolutions that have caused recession. We can, however, influence the future in our small corner of the globe. The questions pending March 14, 1991, before Town Meeting affect not only those Town employees whose jobs are in question, but will shape Londonderry for decades to come.

The articles and budget questions can be divided into four broad categories: operating costs, tax base development, EPA compliance and land use. Most questions affect the operating costs of the Town. One threatens to upset more than four years of work to enable the Town to more than double its commercial and industrial base. The Auburn Road hazardous waste cleanup questions will add $1.30 to the tax rate for the next 20 years or develop a less expensive alternative for the Town. The zoning questions affect the future of many individuals.

The Board of Selectmen and Town Administrator, assisted by the Budget Committee, other boards and committees, and the department heads have prepared budget recommendations to contain Town spending. Their stewardship offers to voters the means to help create jobs and other opportunities in Londonderry. Town Meeting voters may choose to support the leadership provided by those entrusted with the care of the Town or redirect that guidance. There are differences of opinion regarding the "best interest" of the Town. No one can be faulted for attempting to influence the Town Meeting vote to serve their interpretation. Fault can only be found with those who do not participate in the democratic process.

Preparing a zero tax increase budget resulted in allocating fixed dollars to the various operating departments. Increases in operating costs had to be absorbed within those limitations. Coming close to this objective was only possible because of the work of the Solid Waste Committee and their commitment to recycling. Their competitive bid package freed $120,000 of tax revenues for the Town's public safety functions. The planned growth of sewer revenues by the Sewer Commissioners made available another $100,000 for police and fire. The Fire Department and Deputy Chief Alan Sypeck reduced ambulance costs by 25% saving another $50,000.

The initial zero increase budget presented by the Town Administrator was judged too severe by the Budget Committee. Priorities were altered. Minutes before a final deadline, a compromise budget was agreed upon by the Board of Selectmen and Budget Committee with all board and committee members voting in favor. All departments participated in an exceedingly thorough budget review and accepted the spending cuts to produce a bare bones budget.

Next on the list of priorities is implementing the recommendations of the International Association of Chiefs of Police (IACP) comprehensive management study of the Londonderry Police Department. We need to change our focus from negative problem resolution to building an improved department and work place consistent with the IACP's recommendations. The causes for what has been termed dysfunctional behavior will be identified, corrections recommended and a new organizational structure will be proposed before the 1991 Town Meeting.

Until the Auburn Road Landfill cleanup issues are put behind Londonderry, they will remain a primary concern. I anticipate other potentially responsible parties (PRPs) will attempt to reduce their costs by shifting them onto the Town. Part of our strategy must be to do the reverse and prepare to present our case to the Environmental Protection Agency (EPA) or in court as required. Unfortunately, and in all probability, there will be no easy way to put this issue behind us.

These stormy days will pass. The future is bright and exciting for Londonderry. The creative public/private partnership developed almost four years ago by former boards of selectmen to finance the construction of necessary roads, water and sewer for development of commercial and industrial properties along a portion of Route 102 and a new exit off I-93 called 4A, promises to double Londonderry's tax base over time and create hundreds of jobs. Public financing, either guaranteed or replaced by private investment and payments covered by future tax revenues mean current tax payers have almost no financial burden from these projects. A cooperative inter-municipal agreement with Derry for sewage treatment not only helps make these projects possible but means Derry can benefit as well. The Tinkham Superfund Hazardous Waste Site will be cleaned up in the process, although the Town is not directly involved.

My first five months as the newly appointed Town Administrator have been busy, exciting and controversial. Proposing a zero tax increase budget and the associated personnel reductions and reorganizations were not easy. The next and more constructive phase of my administration has begun. The department heads and I are taking the initiative to forge a new management team and methods for working together to improve town services. Anticipated outcomes include improved financial management, greater coordination, tighter focus on objectives and measured performance. We look forward to creating a better future for you, the people of Londonderry.

Respectfully submitted,

Jared S.A. Clark
Town Administrator

ASSESSOR'S REPORT

The total parcels of real estate in the Town of Londonderry are now at 8,370, with an increase in valuation at 16,458,400 for 1990.

Unfortunately, even with the increase in valuation, there was a $4.38 increase in the tax rate this year. Of this $3.00 was attributed to the school system.

One of the most frequently asked questions of our staff is the proration of taxes when real estate changes hands. Also, which months cover Londonderry's semi-annual bills? The tax bill sent out in November covers the period from the preceding April 1st, which is the date of assessments and the start of the tax year through September 30th. The second bill, mailed the following May, is for the period from the preceding October 1st through March 31st.

The equalization ratio, which is another frequently asked question, is not addressed specifically in any New Hampshire statute. The equalization of all town and city valuations is a responsibility granted the Department of Revenue Administration (hereafter DRA) by RSA 21-J:3, XIII. A median ratio is determined by the DRA for all municipalities for the purpose of apportioning tax levies between municipalities in the same county, regional school district, etc. These median ratios, which are derived by comparing the assessments of properties that have sold in each town to their selling price, are appropriate factors to equalize total valuations as they are the midpoint in the array of sales and are not unduly influenced by any outlier sales.

However, the use of the ratio has often deviated from the original intent as described above and has been used to indicate the general level of assessment in a municipality. The New Hampshire Supreme Court ruled in Stevens v. City of Lebanon that deviation from the equalization ratio does not necessarily establish disproportionality.

Property owners desiring initial applications for veteran, elderly, blind or current use exemptions are reminded that the necessary forms must be submitted by April 15th in order to qualify for the 1991 tax year. General information outlining the eligibility requirements for the various exemptions is posted in the Assessor's Office and at the Tax Collector's counter.

Requests for abatements must be made in writing within 60 days of receipt of the November tax bill. Forms for this purpose may be obtained at the Assessor's Office.

Respectfully submitted,

Karen G. Marchant, C.N.H.A.
Certified N.H. Assessor

BUILDING INSPECTOR/HEALTH OFFICER'S REPORT

A building permit is required for any alterations and/or completion to an existing building (with an estimated cost of more than $300.00), the construction of any new building, or change of use of any existing building. An application for a building permit, in writing, shall be submitted with a sketch or plan of the proposed building or alterations. All construction will meet the requirements of the BOCA BASIC/NATIONAL BUILDING CODE/1984; and the BOCA NATIONAL PLUMBING CODE/1990, as approved and adopted by the State of New Hampshire and the NATIONAL ELECTRICAL CODE/1990, as approved and adopted by the State of New Hampshire. From January 1, 1990 to December 31, 1990, this office issued 579 Building Permits with an estimated value of $11,512,911. On the following page is a breakdown of permits issued and fees collected.

In the Health area, one of our responsibilities is the evaluation of possible failed leachfields. As the Town Health Officer, we must further determine whether or not a failed leachfield can be repaired in kind or if a new design is required. We issued approximately 33 letters for failed systems from January 1, 1990 to December 31, 1990.

This information shows the different kinds of permits issued and inspections performed by the Building Department. The inspections are performed to verify compliance with applicable codes to insure a safe building for the occupants. We ask for your support for this effort to protect the interest of our citizens/consumers.

Respectfully Submitted,

James T. Smith
Building Inspector
Health Officer
Zoning Administrator

LONDONDERRY ANTI DWI TASK FORCE REPORT

The DWI Task Force continued to focus on three major projects throughout the past year.

The "Prom" project consisted of the production of the Cable Television show titled "Londonderry Update". Speakers with a message on reducing drinking and driving included Governor Gregg, the Selectmen, the Police Chief, the State Police, treatment providers, students, the football coach, the school counselor, etc. This production was aired in April and repeated again around the holidays.

A large booth with our colorful banner was filled with information at Olde Home Days in August. Resources were made available to Town residents. A beautiful quilt was displayed by families whom had lost a loved one. Guests such as a member of the NH State Police, a State Representative, NH Highway Safety Agency, the Londonderry High School ADAP Group, and sports figure Derek Sanderson were present.

The "Ticket to Ride" program took place during the holidays. Patrons at restaurants or/and drinking establishments were given the opportunity to ride home safely in a taxi, at the DWI Task Force' expense. As usual, the local restaurants were most cooperative with this program.

Our ongoing activities involve assisting various school groups in funding with grants written from the NH Highway Safety Agency or large cooperations. We continue in our commitment to reduce the drinking and driving situation in our community and public awareness will be one of our main goals.

Respectfully submitted,

Bonnie Ordway, Chairman

CABLE ADVISORY BOARD

CABL continued to be very busy throughout 1990.Sub committees were formed to update the CTV-20 studio policies and procedures along with a study of the franchise agreement with Harron Cablevision.

CTV-20 continues to grow and offer a variety of local programing to the community,along with automated playback which offers up to 16 hours of programming each day.Sports events,Jr. High and High School Graduations,Homework Hotline,Londonderry and You,Music Concerts,highlight just a few of the many programs seen.For the first time this year CTV-20 can now produce live shows from several places in and about the high school.

The number of trained volunteers total 165,while 50 active volunteers have put in 2,544 hours to keep CTV-20 alive and going strong.

Remember channel 20 is community television and is available to all residents.Training classes are available.

Harron Cablevision has provided us with 2 new channels. Channel 52 is the government channel and will narrowcast Selectmen's meeting.In the near future plans are to also cover school board and other government meetings.Channel 55 is the Educational Channel and will be activated in the future.

The board is currently comprised of the following:

John Bolduc
Robert Lincoln
David Dillman
Cheri Isenbarger,Chairman

CONSERVATION COMMISSION REPORT

In 1990 the Conservation Commission continued to work for the protection of Londonderry's natural resources. The principal activities of the Commission last year included the first phase of an inventory of the largest wetland areas in Town, the management and acquisition of Town conservation land, and the investigation of applications for State Wetlands Permits.

In 1990 Conservation Commission members Sarah Nelson and Dick Olsen and volunteer Soils Scientist Bruce Gilday organized a study of the Town's largest wetlands. The purpose of the study is two-fold. First, we want to gather information on the sizes and types of wetlands, the functions they serve, the variety of plant and animal life they support, and how the different wetland systems in Town are interrelated. This will be useful information for us, the Town Planner and the Planning Board. Secondly, we hope that as a result of the inventory our most significant wetlands will be officially designated by the State as prime wetlands. This project will continue for at least another year. We thank all the volunteers who have helped us so far. Anyone interested in joining the group can contact the study leader, Sarah Nelson.

Thanks to your continuing support for the purchase of conservation land, Londonderry will soon be adding a 17-acre parcel to the Kendall Pond Conservation Area. At the 1990 Town Meeting, voters approved the purchase of this land, which lies at the end of Twin Isles Road, across Beaver Brook from the 57-acre Kendall Pond Area.

Although the pace of development in Town has slowed considerably, applications for permits to carry out dredging and filling in the Town's wetlands continue to be filed with the State Wetlands Board. The Conservation Commission investigates each of these applications and submits a report on each one to the Wetlands Board. In addition, we cooperate with the Building Inspector and the Assistant Building Inspector in investigating violations of the State Wetland laws.

One of the other highlights of 1990 was the second annual Musquash Field Day in February. Approximately 300 people enjoyed the day's activities, which included hay rides, guided nature walks with foresters Phil Auger and Charlie Moreno and Wildlife Biologist John Cantor and Stan Knowles, cross-country skiing with guide Steve Davis, and refreshments served around a warm fire.

This year the Conservation Commission established a committee to work with the Town's schools to help them take

advantage of the educational potential of Londonderry's Conservation Lands. We hope to continue the practice of leading nature walks in the Musquash for the sixth graders and to develop additional programs.

The conservation Commission welcomes Sarah Nelson as a new voting member and Ron Blanchette, Hank Chary, and Andy Hayes as new alternate members. We meet at 7:30 PM on the second and fourth Tuesdays of each month in the break room in Town Hall. We encourage anyone who is interested to attend our meetings and take part in our activities.

ROCKINGHAM VISITING NURSE ASSOCIATION REPORT

The Rockingham Visiting Nurse Association is a broad-based home and community health agency, which is the outcome of the merger of Derry VNA and Exeter area VNA on June 1, 1990. The goal of this merger is to offer Londonderry (and all the 22 towns we serve) comprehensive cost effective care. Rockingham is a not-for-profit, licensed, 501C3 corporation with Medicare certification, serving all the residents of the community from birth to the end of their life span. In order to give as representative picture as possible of delivered service to the community, this report is organized around the three (3) major departments in the agency and utilizes a combination of narrative statement and numerical tabulation.

ACUTE CARE DEPARTMENT

Rockingham VNA's Acute Care Department provides service to acutely ill individuals, e.g. monitoring cardiac conditions, diabetic teaching, wound and ostomy management as well as "high-tech" home care. The continued trend of early hospital discharge has led to many more seriously ill patients being cared for at home. Consequently, it is imperative that careful coordination between the acute care department and the hospital is done to assure adequate services for the patient and his family upon discharge. The significant time spent on this activity is not reflected in the home visit statistics.

	RVNA	DVNA	EAVNA
Total No. Of Visits	153	556	0
Nursing Visits	42	255	0
Physical Therapy Visits	41	136	0
Occupational Therapy Visits	7	14	0
Speech Therapy Visits	0	0	0
Home Health Aid Visits	61	151	0

As a result of Town and United Way funding, no one is denied service due to inability to pay.

RVNA - June, July, August 1990
DVNA - July 1989 thru May 1990
EAVNA - January 1990 thru May 1990

DAILY SUPPORT DEPARTMENT

Rockingham VNA's Daily Support Department provides services to individuals who have problems of aging, chronic illness, or handicaps, and are delivered in short intensive visits, e.g. homemaking, maintenance nursing, or in extended time periods, e.g. H.E.L.P. and extended care. This department also offers advice as to kinds of care that may be needed, whether the individual is a regular client or not.

	RVNA	DVNA	EAVNA
Maintenance Nursing Visits	2	1	0
Personal Care Aide Visits	21	168	0
Homemaking Hours	41.25	159.15	0
H.E.L.P. Hours **	6	955.20	0
Extended Care Hours **	179.16	755.51	0

Income for these services is derived from a combination of Town funding, grant funds (i.e. Title XX), and client ability to pay (based on sliding fee scale).

** Sliding fee scale not available

RVNA - June, July, August 1990
DVNA - July,1989 thru May 1990
EAVNA - January 1990 thru May 1990

HEALTH PROMOTION DEPARTMENT

Rockingham VNA's Health Promotion Department provides a large range of services to all age groups which are primarily educational and/or preventive. This department also works with multiple groups to provide and support health activities in the community.

Residents participating in clinics provided by Rockingham VNA:

	RVNA	DVNA	EAVNA
Well Child Clinics	8	35	0
Immunization Clinics	6	13	0
Foot Clinics	0	0	0
Blood Pressure Clinics	33	172*	0
Skin Cancer Clinics	4	0	0
Flu Clinics	52	0	0
Sugar/Iron Clinics	0	0	0
Parent/Child Home Visits	17	21	0

All of these services are basically dependent on Town funding with the exception of Well Child Clinics which are supported at approximately 75% of cost by a state grant.

* This figure is the total for all Senior Clinics.

RVNA - June, July, August 199
DVNA - July 1989 thru May 1990
EAVNA - January 1990 thru May 1990

As highlighted in the above summary of services and funding, the Londonderry Town appropriation continues to be an important source of support and enables us to offer all but two of our services on a sliding fee scale basis or for no

charge at all.

The second role of Rockingham VNA is in consultation, education and advocacy for individuals and groups within the community. Professional staff are available by telephone in the office to answer various questions for community residents. Examples of such questions are immunization recommendations for adults and children, consultation on the most appropriate care arrangement for a certain individual, or advice and assistance in how to obtain special health resources and funds. Agency staff are available to work with community residents in planning education and screening events in the community. In addition, Rockingham VNA works on the state and regional level to advocate for funding and services which are important to our communities.

These activities are not counted statistically as "hands-on" services are. However, they are a very important part of our service to the community, and are made possible, almost exclusively, by Town allocations.

Again, the primary goal of Rockingham VNA is to provide the kinds of services needed and desired by Town residents. Please call our office, 772-2981 with your questions and suggestions.

FIRE DEPARTMENT TOWN REPORT

Emergency Line.....432-1122

Business Line.....432-1124

1990 was a year of continued improvement in the quality of service delivered to the citizens of Londonderry, and our firm commitment to safe fire department operations.

During this year we requested a new radio frequency from the Federal Communications Commission. Increased traffic and interference on our old frequency made our operations hazardous, not only to the public but our own personnel as well. We frequently could not hear our own apparatus and portable radios at an emergency scene.

A new frequency was received after the budget had been approved, and we lacked the funds to purchase the equipment to effect the change. The Londonderry Firefighters' Relief Association graciously donated almost $9,000.00 worth of radio equipment to the Town to implement this frequency change. Thanks to their generosity we now have a safe and effective communications capability.

In the area of Emergency Medical Services, two donations were made that increase the level of service we are able to provide.

The Londonderry Rotary Club donated three sets of Military Anti-Shock Trousers to the Fire Department. These inflatable trousers are used to stabilize fractures, seal wounds, and provide a patient with a transfusion of their own blood from the legs and abdomen to their vital organs. It should be noted that the Rotary Club has consistently supported the Fire Department with donations of equipment, and they deserve your thanks.

We also applied for a grant from the Alexander Eastman Foundation for $21,300 to purchase three cardiac defibrillators. The Alexander Eastman Foundation approved the grant in October, and, thanks to their generosity, the defibrillators have been purchased.

This Advanced Life Support equipment is used in certain types of cardiac arrest to try and get the heart back to an acceptable rhythm. Fire Department personnel are presently undergoing the training necessary to use the defibrillators.

The new pumper/tanker authorized by the 1989 Town Meeting was delivered in May, and enhances our ability to respond to hazardous materials incidents because of it's built-in foam system.

The diesel pickup truck authorized by the 1989 Town Meeting has also arrived, and is used for plowing the stations, and as a rescue truck. It carries absorbent material for hazardous materials emergencies, the Jaws Of Life, specialized rescue equipment, and a Combustible Gas Detector, which was donated by Energy North.

Our breathing air supply trailer is now completed and in service. This trailer allows us to refill our self-contained breathing apparatus at the scene of a fire or hazardous materials incident. The tanks and regulator were donated by the Londonderry Firefighters' Relief Association.

Our Safety Program is progressing well. This program is designed to ensure that our equipment and safety policies meet nationally recognized standards. We have purchased and issued National Fire Protection Association approved protective clothing to our personnel. Our breathing apparatus are now certified, and our ground ladders and the aerial ladder have been tested. Our personnel have received instruction in the Incident Command System. This is a formalized management process designed specifically for emergency incidents. It provides effective control of personnel and equipment, and enhances safety.

As part of our Infectious Disease Control policy, the permanent firefighters are in the process of receiving immunization against Hepatitis-B.

Four new firefighters have been hired in order to reduce the working hours of our firefighters from 56 hours per week to 48 hours per week, in accordance with our collective bargaining agreement. Two of our personnel were promoted to the rank of Lieutenant, also to implement the new work schedule.

Our Public Education and Fire Safety program saw the completion of a First Aid Course, and thirty Cardiopulmonary resuscitation courses. Fire Awareness courses have reached 754 citizens. We also had an Open House and Station Tours during Fire Prevention Week. We are firmly committed to preventing fire injury and death to our children, through Fire Prevention Education, primarily in the schools.

In the area of Code Enforcement, we performed inspections of 172 oil burners, 17 woodstoves, and 62 other categories of inspections, as well as plans reviews. 69 inspections were also made of buildings and businesses.

Our goal for 1991-92 is our continuing commitment to the mission of the Fire Department; the protection of life and property. We strive to meet this goal by improving Fire Department emergency operations, properly maintaining our equipment, training our personnel, and providing Fire Safety Education and Code Enforcement.

Respectfully Submitted,

Lanny Van De Bogart, Chief

INDUSTRIAL AD-HOC COMMITTEE

The Committee established four (4) goals for the 1990-1991 fiscal year. The Committee successfully met its first goal, which has remained its main priority since its inception, which is to meet with commercial and industrial firms, which are currently located in Town or which may be interested in locating in Town. The Committee continues to act as a "sounding board" and as a source of information to these firms.

The Committee's second goal was to examine the infrastructure improvements proposed for the Town which would affect commercial and industrial development and make recommendations to the appropriate board or committee. A short list of the projects which were examined by the Committee included the airport access road, the airport terminal and proposed Exit 4A.

The Committee's third goal was to provide input to the Director of Planning & Economic Development on budgetary items. This goal was completed in December.

The fourth goal was to begin development, in conjunction with the Chamber of Commerce, of a marketing campaign to encourage commercial and industrial development in Town. The tough economic times the Town finds itself in is not uncommon to the rest of the region. To expand their tax base many communities have undertaken aggressive campaigns to attract development. If the Town is to successfully compete for such development, the Committee believes we must do so in an active way. The Committee has asked the that Board of Selectmen place a warrant article before this year's Town Meeting to appropriate funds for the development of this campaign.

The Committee has also acted as a strategic planning mechanism for the Town for the past two years. The Committee was given the responsibility of acting as the steering committee for this project by an act of the 1989 Town Meeting. The project began in spring of 1989 and a core group of 35 people volunteered numerous days and several weekends on the project. The proposal contains several goals for the Town of Londonderry to consider for implementation in the decade ahead. The Committee has presented the goals to the Board of Selectmen for their review and action by the general populace at this year's Town Meeting.

Respectfully submitted,

Richard G. Higgins, Chairman

LAMPREY HEALTH CARE REPORT

The Senior Citizens Transportation Program enables the seniors of Londonderry to remain independent and active through the provision of transportation to needed services. Weekly, the seniors in your community are taken grocery shopping, to the pharmacy, to medical appointments, and on other necessary trips. A recreational trip is planned monthly and special appointments which do not fit into the schedule are provided by our drivers or a group of volunteers from the program. Three of our busses are equipped with hydraulic lifts for those residents confined to a wheelchair.

We estimate that by year's end, 525 rides will be provided to senior and handicapped citizens from Londonderry. We are pleased to provide this service in Londonderry, and feel that transportation is one of the most important programs operated by Lamprey Health Care.

Lamprey Health Care also operates a medical program, providing primary medical care and social services, and has medical offices in Raymond and Newmarket. The medical staff consists of seven physicians; five Family Physicians, and Obstetrician/Gynecologist, and a Pediatrician. A Certified Physician's Assistant and two Nurse Practitioners round out the medical team. The medical program also consists of social service assistance and health education and promotion activities.

The cost of operating the programs which serve your community continues to rise, but finding from federal sources does not. In the last six months alone, fuel prices for operating our busses have increased by 50%. This is stressing the budget of this program and is forcing us to request additional local dollars to continue providing the level of service our elderly riders rely on. Dollars from the Town of Londonderry will be combined with 25 other towns to provide match for federal dollars available. We understand the difficulties of local communities to commit dollars to funding programs, but the benefits of keeping the elderly independent and in their homes rather than in more expensive nursing home situations prove that these are dollars well spent.

If you have questions, Priscilla Shaw, Director of Community Services, or I will be happy to meet with you to discuss the programs and the budget. Londonderry's continued support is critical to the operation of Lamprey Health Care's programs. We look forward to providing services to your residents in 1991.

Respectfully submitted,

Ann H. Peters
Executive Director

LIBRARIAN'S REPORT TO THE TOWN

1990 was a very busy year for the Leach Library. In keeping with the theme of a year of education, Children's Room aide Nancy Keane in January started a library techniques course in Concord offered by the School for Lifelong Learning of UNH. February 20th saw the library's highest circulation ever - a record 1,035 items circulated that day! March was March.

In April School District Media Supervisor Susan Ballard and I did a public service announcement for National Library Week. We were also half of a panel on school library-public library cooperation that was presented at the New Hampshire Educational Media Spring Conference in Portsmouth, and at the New Hampshire Library Association's Spring Conference at Waterville Valley in May. April saw the promotion of Nancy Keane from Children's Room Aide to Children's Room Technician. Kim Major, the previous Technician had a healthy baby boy in May. She continues her ties with the library as one of the summer outreach library staff and as Saturday aide in the Children's Room. Nancy's position as Children's Room morning aide was taken by Beverly Chiras who came to us from the Hills Library in Hudson.

In May I presented a workshop on libraries to the New Hampshire Association of Educational Office Personnel. Two weeks later I was elected Vice President-Elect of the New Hampshire Library Association at the Spring Conference in Waterville. My first job as Vice President was to plan a statewide conference.

In June I was the only New Englander accepted into Miami University's Middle Management Program for Library Administrators, which I attended at my own expense. Also in June, Karen Bragdon, Children's Room afternoon aide graduated from Castle Junior College. (She left us in September for full-time work and Shannon Jorgensen replaced her.) Museum passes were renewed in June thanks to the generosity of patrons and the Friends of the Library who matched donations. Use of the passes increased over 50%.

In July, the library began a neighborhood outreach summer program in cooperation with North School. Two library staff planned six weeks of programs and had a drop-in story hour at the North School Library with a story, a speaker, and a craft. In addition, the children could sign out books from the school library for that time. Each session was well attended and plans have been made to extend the outreach to the South School this coming summer. Also in July, Alice O'Brien cut back her hours and Linda Reinhart moved up from afternoons to Alice's morning position. Cecile Benson was hired to replace Linda's afternoons and Saturdays.

Andrea Dunham was our first student aide for the summer. We sent her off to college in September with thanks for a job well done.

August saw the conclusion of the library's summer reading program "Get That Reading Rhythm" with an ice cream party. The Friends of the Library sponsored the library's first teddy bear picnic, and the Trustees sponsored the Ha'penny Theater on the Town Common. Library staff participated in the Old Home Day parade.

Children's Room staff Nancy Keane and Beverly Chiras took a reference course offered through the School for Lifelong Learning at the Dover Public Library from September to December.

In October the Trustees had their annual booksale coinciding with the reopening of the library on Saturdays. This year the remaining books were donated to a mission. The Trustees purchased a new copier for the library. It is located upstairs, convenient to the IRS forms and the reference area. Also in October the library expanded its hours with an early morning opening on Wednesday mornings. Hoping to catch commuters on their way to work, the library opens at 6:30 a.m. with free hot beverages.

November saw the New Hampshire Library Association's fall conference, planned by your librarian, held at Castleton in Windham with two Londonderry residents as speakers. Sara Jo Odom of Success Strategy Seminars discussed ways to increase library use and visibility, and Ric Blake, of Blake-David Associates, discussed marketing the library with little or no money budgeted.

December saw the Friends and the Trustees hosting their craft sale at the Matthew Thornton gym. It was again very successful.

As we became more familiar with the New Hampshire Automated Information System, more and more interlibrary loans were searched out using the computer system donated by Waste Management. Knowing where a wanted material is saves at least two weeks on an interlibrary loan request as we can send directly to the owner library, rather than going theough the state library as a middleman. Interlibrary loan use has about doubled.

Throughout the year, library use increased with 459 new registrations in the Children's Room and 1,118 in the Adult Room. Circulation for the year was 129,886, an increase of 7,930 over last year. The Children's Room hosted 31 visiting groups over the year and introduced the children to the library. They hosted 40 story hours sessions through the efforts of a number of mothers who volunteered to lead a group.

The Leach Library goal for 1991 is one of service to a community stuggling with an economic downswing.

Respectfully submitted,
Catherine Redden,
Director

LONDONDERRY HISTORIC DISTRICT COMMISSION
ANNUAL REPORT
1990-1991

The research continues for Commission members. Efforts have focused on compiling data on historic homes and sites throughout our town. Going road by road, significant homes dating up through the early 1900's are being photographed and assessed for their historic value. At the conclusion of this cultural survey, a map will be presented to the Planning Department to be used as a guideline for future protection, the net result being a tool to identify spots that depict the historic flavor of our town.

It was jointly agreed in June of 1990 by the Planning Board and Historic District Commission that commission members review upcoming plans and be allowed to comment on those which pertain to sites recorded in the survey. An advisory role was approved and although construction seems to be at a standstill, the process has proven to be a cooperative benefit to all.

The Commission functions as part of the Londonderry Town government, established at Town Meeting under State Statute in 1987. It is often confused with the Historical Society but operates under different rules than a non-profit organization. Membership consists of a Planning Board member, a Selectman, and five other individuals with annually rotating and appointed positions plus alternates. Meetings are held the first Tuesday of the month at Town Hall and are posted at the Leach Library. The public is invited to attend and new membership is always welcome.

Authur Rugg, Selectman

LONDONDERRY HOUSING AND REDEVELOPMENT AUTHORITY

The Londonderry Housing and Redevelopment Authority (LHRA) had a somewhat active year, but construction now is at a standstill for economic reasons.

Parcel I: A development plan has been approved by LHRA and Londonderry Planning Board for a project by Evans Enterprises, which includes a Free Trade Zone of 40 acres. Their master plan has a project cost of an estimated $50,000,000 over a four to five year period. Extensive site development has been done and Phase I approval given for two buildings. However, construction is has been delayed. Parcel I also has had an addition to the former Tel Labs building. Two major buildings are not used by United Parcel Company.

Parcel II: This parcel continues to have problems for us. The bankruptcy of the former Silver Brothers Company as yet is unresolved. The relocation of the Executive Court Club leaves their building vacant. The Lamont Labs Company has a plan approved to remove old buildings and replace with a new building. Presently no action has taken place.

PARCEL III: This is our most active parcel with a new building constructed by Michael Tamposi and sold to Jenkins Spririts located on Lot 21-18. Also, plans for a second building on Industrial Drive, Lot 21-23. Lot 21-17 has a new facility constructed for the Unicare Corporation. These will add to the tax rolls for 1991. Parcel III also has an approved plan by Green Mountain Investments for development of Lots 21-12 through 21-15 totaling 11 acres. Much site work is don, but more is needed before we construct a sewer line to serve this area. However, financing is a problem. This is expected to be valued at about $5,000,000 when completed.

A 14 acre lot sold to Coldstream Associates, Karl Norwood, etal, with an approved plan for six corporate hangers. This project is being held up by the Manchester Airport Authority for direct access approval to Taxiway November. This is expected to be an $8,010,000 development.

The LHRA has been vitally interested in the area of Pettingill Road, which is also in our project area. Linking Brown Avenue and Harvey Road with a connection to Industrial Drive opens up nearly 700 acres for development. The State of NH and the Manchester Airport Authority are also involved with an access road to the future terminal and eventual connection of the Everett Turnpike, US Route 3, and Route 93. We hope to get in this area soon, as a major distribution center which would be a boon for Londonderry.

PLANNING BOARD REPORT

The work of the Planning Board over the past year has reflected the continued slowdown in development in southern New Hampshire. The number of subdivision plans brought before the Board decreased from 36 to 12 while site plans decreased from 32 to 21 plans.

The decrease in subdivision and site plan submittals enabled the Planning Board to focus on other important planning functions, such as the review of development policies and procedures and long range planning. The Planning Board adopted new site plan and subdivision plan regulations in September. Through the Southern New Hampshire Planning Commission the Planning Board completed the Route 102 Corridor Study and began work on the Route 28 Corridor Study and the Water Resources Protection Program. The Planning Board reviewed and adopted the 1991 - 1996 Capital Improvement Program.

There were many personnel changes on the Planning Board in 1990. Anita Davidson and Warren Nordman gave up their seats on the Planning Board. Alternates Jeffrey Vickers and Laurie Savage were appointed as full members. Jim Altemose and Richard Verrill joined the Board as alternates. Anita Davidson returned to the Planning Board as the Ex-Officio, replacing Arthur Rugg.

The Londonderry Planning Board meetings are held every Wednesday evening at 7:30 p.m. in Town Hall. Any member of the public is welcome to attend.

In addition, any registered voter interested in serving on the Board, should contact the Town Administrator.

Respectfully submitted,

Jeffrey Vickers, Chairman
James Altemose
James Anagnos
Anita Davidson, Ex-Officio
Richard Higgins

Laurie Savage
Daniel Vecchione
Richard Verrill

Kay Webber, Secretary

POLICE DEPARTMENT REPORT

In providing quality community service, the Police Department has two major components. The Patrol Division, the most visible arm of the department and its largest unit, is commanded by a Lieutenant and is staffed with five sergeants and eighteen police officers. The Services Division is also commanded by a Lieutenant and is staffed with two Detectives, one Juvenile Officer, one Safety Officer, one Vehicle Technician Sergeant, one Records Supervisor, one Records Clerk, one Dispatch Supervisor, and five Dispatchers. These two divisions are supported by a Secretary, a Custodian, and a Prosecutor. The Operations Commander, a Captain, coordinates and manages the day to day activities of the two divisions.

A comparison of the services provided to the community by the Police Department during 1989 and 1990 is as follows:

	1989	1990
Calls handled by communications:	140,655	155,314
Business calls:	40,213	32,038
Walk-in services where people come into the police station for assistance:	6,518	2,915
Requests for police service:	57,866	48,436
Total Crimes Investigated:	2,059	1,788
Crimes percentage (%) increase or decrease over previous year:	+ 13.9 %	- 13.2 %

	On-Duty Training:	90	55

This information shows the kinds and amount of police service that the Town of Londonderry receives from its police department. Quality police services result from a commitment and active participation by the employees of the police department, Town Government, and the Town itself. Your police department needs your active support if we are going to protect and serve you.

Respectfully submitted,

Richard J. Bannon

Richard J. Bannon
Chief of Police

DEPARTMENT OF PUBLIC WORKS

Preparation for road reconstruction began early with the adoption of a Road Surface Management Program. During the past year the Londonderry Public Works Department reconstructed two main roadways, Shasta Drive and approximately 2,000 feet of Hardy Road.

Routine maintenance items consume a large amount of the time of the Highway workers. Over the past year we were able to track the amount of time spent performing these duties. The following is a breakdown of all time spent on maintenance by the Department:

Shoulder maintenance	15%	Flagging	5%
Storm drainage maintenance	15%	Pot hole repair	15%
Facility maintenance	3%	Litter	1%
Guard rail maintenance	1%	Brush cutting	8%
Gravel pit maintenance	3%	Drainage work	11%
Vehicle maintenance	14%	Sign maintenance	9%

Over and above the routine duties of this Department, we have assisted the Historical Society with two projects, the restoration of the Town Pound and the Morrison House. Our responsibilities also include assisting various Town Commissions and Boards, such as the Sewer Commission, Cemetery Trustees and the Recreation Department. The Public Works Department also maintains the grounds of the Town Hall/ Police Complex, Leach Library and Common. The Highway Department is in charge of the operation and maintenance of the Municipal Stump Dump. The Stump Dump is open to residents on Saturdays, April through November, 462 residents used this service this past year.

The effectiveness of a snow and ice removal plan can have a significant impact on a Town during the winter season. Our drivers feel an obligation to the traveling public, they realize how important snow removal is to the Town and they spend long hours making the roads safe for the motoring Public.

With the approval of the 1990 Town Meeting, the Highway Department was given the approval to purchase a new vehicle to replace a 1976 six wheel dump. A new 1991 International dump was leased / purchased in accordance with the Town's Capitol Improvement Program.

In closing, I would like to thank all members of this Department for their dedication and service to the Town of Londonderry. They have continually worked hard to provide you with the best service at the lowest cost possible.

Respectfully submitted,

Thomas J. Aspell, Jr., Director
Londonderry Public Works

RECREATION COMMISSION'S REPORT

In 1990, we saw the retirement of past Chairperson Cheri Isenbarger from the recreation Commission. Cheri's past efforts are truly missed and appreciated.

Adult programs currently offered in Londonderry are: Mens and co-ed softball, aerobics, basketball, indoor soccer and mens and co-ed volleyball.

Youth programs are: Basketball, baseball, softball, football (Flag and Popwarner), cheerleading and soccer. Also available during the summer is a summer playground program that is held at the Town's three elementary schools.

The new Nelson Road Field, which was constructed by the Army Corps of Engineers, is now complete and will be open for use in the Spring of 91'. The Commission hopes that residents will take advantage of all the facilities at the Recreation Park, located on Nelson Road which, includes two tennis courts, a volleyball court, and a playground and picnic area. There is also the lighted, multi-purpose field.

Two Building Funds that will greatly benefit the Town's recreational resources are very active and are making steady progress. The Pat Marschner Memorial Trust Fund for the Children of Londonderry is working towards the erection of an ice skating rink, while the Londonderry Playground Association plans to erect a new and expanded playground at our Nelson Road Complex.

In 1990, we hosted a visit of the Girl's Basketball Team from our sister city of Vologda, U.S.S.R. It is hoped that there will be many more cultural and athletic exchanges with our friends from the Soviet Union in the future.

The recreation Commission meets on the second Monday of each month at 7PM in the Town Office. An open invitation is extended to all Town residents to attend these meetings to voice their concerns and present new ideas on expanding our facilities and programs. Also available is the Recreation Commission Telephone Hotline (437-2675) which gives residents all the recreational activities available in Londonderry.

The Commission would like to give thanks to the Londonderry School District for the use of their facilities for all our indoor activities and to the Field's Maintenance Crew and Highway Department for all their help and guidance.

Special recognition is given to all the volunteers whose time and efforts in both youth and adult activities make Londonderry a special place in which to live and play.

Respectfully submitted,

Malcolm Hope, Chairman
Doug DeCosta, Vice Chairman
Marie Greene, Secretary
Richard LeCompte, Treasurer

Rich Isenbarger
Larry Kellogg
Arthur Psaledas, Director

SEWER COMMISSION

The Sewer Commission wishes to take this opportunity to thank the voting public for their decisive support over the years of important warrant articles sponsored by the Commission. This support has allowed vital sewer development to progress in Londonderry at a healthy pace. The Commission is gratified to observe this historic and continuing support reflects growing public awareness of the importance of infrastructure development as a stimulus and foundation for efficient commercial, industrial and residential growth.

This report will address significant sewer-related developments in 1990 and summarize the status of the services and activities provided under the authority of the Sewer Commission. These include: (A) Operation and maintenance of sewer facilities, (B) New sewer construction (municipal and private), (C) Industrial Pre-treatment Program, (D) Sewer billing (user charges and revenues), (E) Inter-municipal agreements with Manchester and Derry.

The goal of the system maintenance program is to maintain continuous and reliable operations and performance of the public sewers and pumping station. At least one third of the Town's sewers are cleaned and evaluated each year. This includes existing older sewers which are video inspected and tested for leaks. When leaks are discovered, they are sealed with special grout and application equipment. In the last three years, most of the sewer system has been evaluated. As a result, the repair and replacement of identified failing sewers has been effected, and will continue as an ongoing maintenance task.

New municipal sewer construction was completed this year on Hall and Rockingham Roads. Several residential properties on Hall Road were experiencing marginal or near failing septic systems before the new service was built. The sewer service on Rockingham Road was extended easterly from Perkins Road across the I-93 Interchange to Auburn Road. The next planned construction phase will continue the sewer from Auburn Road to access the industrial district on Independence and Liberty Drives. New private sewer construction was completed to service an elderly housing project on Mammoth Road. This sewer was designed in conformance with special Town criteria so that the future sewer extension to the Town Center can begin where the elderly housing sewer project ended.

The Industrial Pretreatment Program has been quite effective in controlling harmful industrial discharges into the public sewers. The Town currently regulates 16 companies with special permits. The Town monitors permit compliance by conducting unannounced sampling of the companys' industrial discharges. This year the EPA performed an audit of Londonderry's pretreatment program and the City of

Manchester's program. The Environmental Protection Agency (EPA) report is being used as a guidance document by Londonderry and Manchester in revising the respective programs in accordance with the recommendations advanced in the audit. Since Londonderry is a user of the Manchester regional facility, the Town's pretreatment program must be shaped to be closely consistent with the City's program.

Sewer charges are assessed regularly to users who directly benefit from the public service. The money collected is intended, in part, to pay to the City of Manchester the Town's cost for treatment and disposal of flows sent to the regional treatment plant. Additionally, sewer revenues were conceived to eventually fund the entire Sewer Commission Operating Budget as the user base expanded. The Commission is pleased to report that we are approaching that goal. In the coming fiscal year, the Commission has committed $100,000 to be applied to a proposed operating budget of $164,654. This represents a precedent; 61% of the operating budget will now be supported by the users.

Since Londonderry does not have a sewage treatment plant, it was necessary to enter into agreements as a user or tenant of the regional treatment facilities located in Manchester and Derry. Londonderry is expected to pay its proportional share for the space or treatment capacity purchased from the regional plants. Presently, the Commission is actively negotiating with the City of Derry to acquire additional flow capacity. The Commission recognizes that additional capacity is crucial to the infrastructure development in the southern part of Londonderry. Important developmental considerations in this region hang in the balance because of sewage treatment availability. The Commission is encouraged to report at this time that an agreement with Derry appears imminent. The Commission is also reviewing an option to purchase additional sewage capacity from Manchester. This option represents a unique opportunity for Londonderry to pick up reserve sewage capacity that was waived by another community served by the regional plant.

The Sewer Commission welcomes the public to attend their regular meetings held on the first Thursday of each month at the Town Office.

The Commission wishes to thank all the Town agencies and people who have supported us. Special thanks is extended to the Town Administrator for his active support and responsible participation in important negotiations in promotion of infrastructure development. Special thanks is also extended to the Highway Department for their tireless support in providing manpower, heavy equipment, and mechanical assistance.

REPORT OF THE
SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

All dues-paying members of the Southern NH Planning Commission are offered a wide range of services, resources and technical assistance by a professional planning staff who, from time-to-time, are assisted by specialized consultants on an as-needed basis. Under the direction of your representatives, the staff develops and carries out planning programs that require a regional perspective, as well as those which pertain more directly to your community.

Local planning assistance requests are generally received from your Planning Board and/or Board of Selectmen. With the concurrence of the Commission, certain general studies are conducted, notifications made and training workshops held that are considered essential for all member municipalities.

Services that were performed for the Town of Londonderry during the past year are as follows:

1. Provided testimonies, some in support and some in opposition, to the House and Senate committees of the 1990 Legislative Session on a few bills which pertain to planning and zoning. SB 337; SB 358; SB 359; HB 1121; HB 1119; and HB 1375 dealing with impact fees deserve a special mention.

2. Co-sponsored the Municipal Law Lecture meetings. These meetings were attended by Londonderry officials.

3. Conducted a six-hour training workshop for the planning board members. The Londonderry Planning and Zoning Boards were invited to that workshop.

4. As per the request of the Public Works Director, conducted traffic counts at two locations on Shasta Drive.

5. Conducted a sub-area study for the NH Route 28 corridor.

6. Using the PC ARC/INFO, prepared a computerized map for the town showing the developmental constraints. The town has been provided with a copy of the map, and the electronic file containing soils information has been kept in the offices of the Commission.

7. Provided several copies of the town base map drawn in the scale of 1" = 1,000'.

8. Updated the zoning map and prepared the art work for printing.

Londonderry's Representatives to the Commission are: Donald Babin, Anita Davidson, Hayden Anderson.

Executive Committee Member: Donald Babin

Metropolitan Manchester Transportation Planning Policy Committee: Vacant

Respectfully submitted,

N.N. Sharm
Executive Director of
Southern NH Planning Commission

TOWN CLERK'S REPORT

July 1, 1989 - June 30, 1990

DEBIT

MOTOR VEHICLE PERMITS:		
1989 Motor Vehicles	$ 789,814.00	
1990 Motor Vehicles	841,711.00	
		$1,631,525.00
STATE REGISTRATIONS:		
Fees	40,530.00	
		40,530.00
DOG LICENSES:		
1989 Licenses	2,728.00	
1990 Licenses	5,457.25	
		8,185.25
RECORDS:		
Commercial Code Records	10,112.00	
Vital Records	5,593.50	
Filings	9.00	
		15,714.50
ZONING FEES:		
Subdivisions	30,702.46	
Zoning Books	1,655.20	
Building Permits	37,497.00	
		69,854.66
Other Fees:		
Tax Maps	486.50	
Junk Yard Permit Apps.	100.00	
Mechanical Amusement Device Licenses	2,420.00	
		3,006.50
TOTAL DEBITS		$1,768,815.91

CREDITS

PAYMENT TO TOWN TREASURER	$1,768,815.91	
		$1,768,815.91

(Total amount of money sent to the State of New Hampshire - $488,037.40.)

SOME STATISTICS OF INTEREST:

	1988	1989	1990
Total number registrations issued	19,812	20,667	19,972
Total number titles issued	5,161	4,767	4,145
Total number transactions for State	12,080	15,650	15,845

Again we have had a good year with our municipal agent program. It has paid for itself and the public seems to appreciate the convenience in doing the complete registration here.

We are now looking forward to quite an improvement. With the efforts of Gary L. Conley of Atlantic Turn Key Consulting, Inc., the Town and City Clerk's Association, and directions from the State of New Hampshire Motor vehicle personnel, we now have software available. This program will allow us to do the registrations, titles, figure tax plus state fees, license dogs, register voters and supply us with a spread sheet at the end of the day. Many have asked for the mailing of registration bills and this program will provide this service. Hopefully this will all be added to our office this coming year.

The Town Administrator is also proposing an index software program that will allow us to index all the town meeting minutes, zoning minutes, planning board minutes as well as all selectmen meeting minutes which will allow interoffice search. This will make it much easier to find a record for the customer as well as for each office use.

Also let me remind you that you still need to have an emission test on your motor vehicle (1976 through 1990) but you do not have to have it done before registering your car. This amendment to the law has made it a bit easier for the customer.

The law requires that every dog be licensed by May 1 of each

year, after June 1, additional fees and fines are charged. The fee for a male or female dog is $7.00, altered dog is $4.50 and a person 65 years of age or older may license one dog of either sex for $2.00. A valid rabies certificate is required and please be reminded that Londonderry has adopted a dog ordinance which requires your dog to be under your control at all times.

Just a reminder about registering to vote. You may register with the town clerk's office as well as with the Supervisors during their posted hours.

Our office hours are Monday through Friday - 8:30 A. M. to 5:00 P. M. and Tuesdays we remain open until 7:00 P. M. Closed all holidays. (A list of holidays are in the back of the town report.)

TOTAL NUMBER OF VITAL RECORDS FILED IN OUR OFFICE;

YEARS	1990	1989	1988	1987	1986	1985	1984
MARRIAGES	119	154	128	148	143	173	152
BIRTHS	293	198	254	253	211	161	188
DEATHS	53	72	61	49	50	46	51

Respectfully submitted,

Alice M. Taylor,
Town Clerk

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment meets at the Town Office on the third Tuesday of each month. All applications for hearings must be completed by the Zoning Officer/Building Inspector and the applicant/owner of said property, and submitted to the Zoning Board of Adjustment (ZBA) Secretary by 11 AM on the 25th of each month in order to be heard at the next scheduled hearing. All townspeople are encouraged to attend the monthly meetings and deliberations.

The ZBA is required by RSA 31:66 and is mandatory whenever a town or city enacts a zoning ordinance. The Board of Selectmen is given the authority to make appointments to the ZBA and a new member is usually appointed for a three year term.

State enabling Statutes (RSA 31:72) give the ZBA the authority to act in three separate and distinctive categories:

I. APPEAL FROM ADMINISTRATIVE ORDER
To hear and decide appeals where it is alleged there is an error in any order, requirement, decision or determination made by any administrative official in the enforcement hereof of any ordinance thereto.

II. SPECIAL EXCEPTION (Must be specified in Zoning Ordinance)
To hear and decide Special Exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

III. VARIANCES
To authorize upon appeal in specific cases, such variances from terms of the ordinance as will not be contrary to the public interest, where owing to special conditions, literal enforcement of the provision of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done.

The majority of cases heard come under the variance category and each case usually presents a unique set of circumstances. When considering a variance, the following conditions must be present.

1. A hardship must exist which is inherent in the land in question and which is not shared in common with other parcels of land in the district.

2. The spirit and intent of the ordinance must not be broken by granting the variance.

3. The granting of the variance will not adversely effect other property in the district.

4. Not to grant the variance would result in an injustice.

Many of the cases heard are presented as hardships. However, under the zoning law, a "Hardship" is unrelated to the physical or economical condition of the owner, but related directly to a condition of the land which prevents the owner from complying with the ordinances. Usually, a peculiar characteristic of the land, such as shape, size, topography or other unique conditions, may present a hardship for the particular piece of land in question. If the above characteristics are common and shared by other parcels in the district, the land in question is no longer unique and would not qualify under the hardship clause of the ordinance.

Respectfully submitted,

Clark V. Peters, Chairman
Rosalind J. Morency, Secretary

DEPARTMENT OF PLANNING & ECONOMIC DEVELOPMENT

There are five distinct roles the Town needs to play so to develop a strong local economy and a fine quality of life.

The first role is to build the foundations required for economic vitality. The private sector will function effectively only on foundations that are affected by government policy. A short list of key foundations are: a capable and motivated work force, a sound infrastructure, well managed natural resources, knowledge and technology, enterprise development, quality of life, and fiscal soundness. A Town which provides good schools, good transportation facilities, a high quality of life at a reasonable tax rate is the first step we can take to make Londonderry's economy competitive.

The second role is to nurture the process of economic development. The Town must selectively recruit companies which will benefit the Town. Keeping in mind that the firms recruited to the Town may be far less important than the firms which are already here.

The third role is to develop the economic region of which Londonderry is a part. Local political boundaries rarely correspond to real economic regions. Working cooperatively with Manchester, Bedford and Derry may not simply be a matter of providing better public services; it may be a matter of economic survival.

The fourth role is to advocate for sound economic policy at the state level. The Town must recognize that one of its growing roles will be to act as a political advocate in the Legislature to ensure that State policy serves the citizens of this region and town.

The fifth role is to continue developing a strategic orientation in dealing with the forces shaping the Town. The Town has taken a big step forward through the work of the Londonderry 2000 Committee.

A few of the major planning projects this department has undertaken this past year include assisting the Planning Board in the streamlining of the its development regulations; coordinating the Londonderry 2000 project; completing the Route 102 Corridor Study; developing the Route 28 Corridor Study; and developing the Water Resource Protection Program.

A few of the major economic development projects include working with federal and state agencies on proposed Exit 4A; acting as the lead on the State projects at Exit 4, Exit 5, and Route 102; working with the Manchester Airport Authority and F.A.A. on the new Airport Terminal and Airport Access Corridor; assisting those firms moving to Town and those expanding existing operations; and assisting residents in applying for federal funds to save their homes.

Respectfully submitted,

Thomas J. Aspell, Jr., Director
Planning & Economic Development
